

EDGEBA^G MINIGATER WITH GRAB HANDLE - EDGEWOOD SHOOTING BAGS EDGEBA^G MINIGATER W/GRAB HANDLE TALL 4"H 3/4" SPREAD SLK

[Shooting Accessories](#) > [Shooting Rests](#) > [Bench Rest Bags](#)

The Minigater features a larger base than the Original approximately 6" x 10". When filled with heavy sand, it weighs in somewhere between 13 and 16 lbs. A much longer earbase is stitched to the top of the Mini for smoother tracking, especially when shooting free recoil. The same reinforced sides and donut base are used in this bag as in the Original. EDGE model includes the following upgrades: Extra rigid, super flat bag base made with a unique material resists deformation over time ""Overlay Ears"" - Whether you choose slick material or cordura, a durable layer of leather is added underneath the material which contributes to consistency in shape and performance as well as extreme longevity and resistance to wear. Flatter ear space means the riding surface at the base of the ears has been redesigned to practically eliminate inconsistencies in the transition between the riding surface and the ear base. This remedies any potential drag or grabbing and increases longevity by removing an inherent wear point. Reinforced ear base isolates the ear set from the shape of the bag, contributing to consistency in the contact surface and ear spread. Embroidered cordura tops showcase our brand new logo and highlight the evolution of our designs.

Safety Instruction Guide for EDGEBAg MINIGATER WITH GRAB HANDLE

Introduction

Thank you for choosing the EDGEBAg MINIGATER WITH GRAB HANDLE. This product is designed to enhance your shooting experience while ensuring safety and performance. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always inspect the product for any damage or wear before use.
- Avoid using the product if it shows signs of damage or if any components are missing.
- Ensure that the product is used in a safe environment, away from children and pets.
- Follow all local laws and regulations regarding shooting and the use of shooting bags.
- Store the product in a dry and secure location when not in use.

Specific Safety Precautions for Use

- Ensure that the bag is filled with appropriate material (heavy sand) to maintain stability during use.
- Do not exceed the recommended weight limit of 16 lbs.
- Use the product only for its intended purpose—supporting firearms during shooting activities.
- Be aware of your surroundings and ensure a clear line of sight when shooting.
- Do not place any body parts or other objects in the path of the firearm when aiming or shooting.

Instructions for Installation and Usage

1. Filling the Bag:

- Fill the EDGEBAg MINIGATER with heavy sand to achieve the desired weight and stability.
- Ensure the bag is filled evenly to prevent tipping during use.

2. Positioning the Bag:

- Place the bag on a stable surface, ensuring it is flat and secure.
- Adjust the position of the bag to achieve the desired height and angle for shooting.

3. Using the Bag:

- Rest the firearm securely on the top of the bag.
- Ensure that the firearm is stable and will not slide off during use.
- Use the longer earbase for smoother tracking while shooting free recoil.

4. PostUse Care:

- After use, remove any debris or dirt from the bag.
- Store the bag in a cool, dry place to maintain its shape and longevity.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Avoid disposing of the bag in regular household waste if it contains hazardous materials.
- Check with local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the product, please reach out to your nearest authorized retailer or manufacturer. Ensure to have your product details ready for a quicker response.

Thank you for your attention to these safety instructions. Enjoy your shooting experience with the EDGEBA
MINIGATER WITH GRAB HANDLE!
