

ORIGINAL REAR BAG WITH GRAB HANDLE - EDGEWOOD SHOOTING BAGS ORIGINAL W/GRAB HANDLE TALL 4" HIGH 3/8" SPREAD 3M SLICK

[Shooting Accessories](#) > [Shooting Rests](#) > [Bench Rest Bags](#)

The Original bag is the most common Edgewood bag used by benchrest shooters. Filled with heavy sand, it weighs between 10 and 14 lbs. depending on body height and has a footprint of about 6" x 8". We build it with reinforced leather sides and heavy nylon top and ears along with a multi-layered donut base which allows the bag to sit firmly on the bench and minimizes any rocking back and forth.

Safety Instruction Guide for the Original Rear Bag with Grab Handle

Introduction

Thank you for choosing the Original Rear Bag with Grab Handle by Edgewood Shooting Bags. This product is designed to enhance your benchrest shooting experience while ensuring safety during use. Please read this safety instruction guide carefully to understand how to use the product safely and effectively.

General Safety Guidelines

- Always inspect the bag before use for any signs of damage or wear.
- Ensure that the bag is filled with heavy sand as specified. Improper filling may lead to instability during use.
- Use the bag only for its intended purpose—supporting firearms during shooting.
- Keep the bag out of reach of children and vulnerable individuals when not in use.
- Report any unsafe conditions or product failures to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the bag is placed on a stable and level surface before use to avoid tipping.
- Do not exceed the weight limit of 14 lbs. to maintain stability.
- Avoid using the bag in wet or slippery conditions, as this may lead to accidents.
- Do not modify or alter the bag in any way, as this may compromise its safety features.
- Always supervise inexperienced users when using the bag.

Instructions for Installation and Usage

1. Filling the Bag:

- Use heavy sand to fill the bag. Ensure the sand is dry to avoid excess weight.
- Fill the bag to a weight between 10 and 14 lbs. depending on your preference and body height.

2. Setting Up the Bag:

- Place the filled bag on a stable shooting bench.
- Ensure that the bag's multilayered donut base is flat against the bench to minimize rocking.

3. Using the Bag:

- Position your firearm on the bag, ensuring it is stable and secure.
- Adjust the position of the bag as needed to achieve the desired shooting angle.
- Always keep your hands and body clear of the firearm's muzzle when adjusting the bag or firearm.

4. PostUse Care:

- After use, remove the bag from the shooting area.
- Store the bag in a dry place to prevent deterioration of materials.

Disposal Instructions

- Dispose of the bag in accordance with local regulations regarding waste disposal.
- If the bag is damaged or no longer usable, ensure it is disposed of safely to prevent any hazards.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the Original Rear Bag with Grab Handle, please contact the manufacturer directly. Ensure you have the product details ready for efficient assistance.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the Original Rear Bag with Grab Handle!
