

GATER - EDGEWOOD SHOOTING BAGS GATER STD 3-1/2"H 3/4" SPREAD 3M SLICK

[Shooting Accessories](#) > [Shooting Rests](#) > [Bench Rest Bags](#)

These premium bags and shooting accessories from Edgewood Leather are innovative in design, made of absolutely the best materials available and will hold up under constant competitive use. All Edgewood Leather Shooting Bags are not filled, unless otherwise specified. See page 167 for Extra Heavy Bag Sand and Forster Kwik-Fill funnel. Yes, it looks sort of like a gater floating with just the eyes above the water. This is a long, heavy bag, about 6½" x 13½", and it is the ultimate in stability on the bench. A Gater bag can easily weigh over 25 lbs. filled with heavy sand, so the multi-layered bottom does not have an internal 'donut' like the smaller Edgewood bags. It has a 4" body height, 2" tall ears, and a 3" x 4" ear base. If you shoulder the rear bag once in a while and don't mind hauling the weight, there is nothing more stable on the bench than the Gater. Will require two boxes of heavy sand to fill.

Attributes

- Name: [EDGEWOOD SHOOTING BAGS GATER STD 3-1/2"H 3/4" SPREAD 3M SLICK](#)

GATER EDGEWOOD SHOOTING BAGS Safety Instruction Guide

Introduction

Thank you for choosing the Gater Edgewood Shooting Bags. This guide provides essential safety instructions to ensure the safe and effective use of this product. Please read and follow these guidelines carefully to maximize your safety and the performance of your shooting bags.

General Safety Guidelines

- Ensure that the shooting bags are used only for their intended purpose.
- Always inspect the bags for any signs of damage before use.
- Keep the bags out of reach of children and vulnerable individuals to prevent accidents.
- Be aware of your surroundings when using the bags to avoid potential hazards.
- Follow all local regulations and safety standards when using shooting equipment.

Specific Safety Precautions for Use

- **Weight Consideration:** The Gater bag can weigh over 25 lbs when filled. Ensure that you can safely lift and transport the bag to avoid injury.
- **Filling Material:** Use only the recommended filling material (heavy sand) to ensure stability and safety. Do not use alternative materials.
- **Stability:** When using the bag, place it on a stable surface to prevent tipping or sliding.
- **Handling:** Do not attempt to carry the filled bag by the ears; always use the body of the bag for lifting.
- **Environmental Awareness:** Be mindful of weather conditions. Avoid using the bags in extreme weather that could affect stability or safety.

Instructions for Installation and Usage

1. Filling the Bag:

- Use two boxes of heavy sand to fill the Gater bag.
- Ensure the filling is evenly distributed for optimal stability.
- Avoid overfilling the bag to maintain its shape and functionality.

2. Setting Up:

- Place the filled bag on a flat, stable surface (e.g., a shooting bench).
- Adjust the position of the bag to ensure it is secure and won't move during use.

3. Using the Bag:

- Position your firearm on the bag for support.
- If you need to shoulder the rear bag, ensure you have a firm grip to prevent slipping.
- Always maintain control of your firearm while using the bag.

4. PostUse Care:

- After use, remove any debris from the bag to maintain its condition.
- Store the bag in a dry place to prevent mold or degradation of materials.

Disposal Instructions

- Dispose of any damaged or worn bags in accordance with local regulations.
- If the bag is filled, ensure that the filling material is disposed of properly, following environmental guidelines.
- Recycle materials where possible to minimize environmental impact.

Contact Information for Further Support

For inquiries regarding safety, usage, or support, please refer to the contact information provided with your product packaging or visit the manufacturer's website.

Thank you for following these safety guidelines. Your safety and enjoyment are our top priorities. Always stay informed and practice safe handling of your Gater Edgewood Shooting Bags.
