

# GATER - EDGEWOOD SHOOTING BAGS GATER TALL 4"H 3/8" SPREAD 3M SLICK

[Shooting Accessories](#) > [Shooting Rests](#) > [Bench Rest Bags](#)

These premium bags and shooting accessories from Edgewood Leather are innovative in design, made of absolutely the best materials available and will hold up under constant competitive use. All Edgewood Leather Shooting Bags are not filled, unless otherwise specified. See page 167 for Extra Heavy Bag Sand and Forster Kwik-Fill funnel. Yes, it looks sort of like a gater floating with just the eyes above the water. This is a long, heavy bag, about 6½" x 13½", and it is the ultimate in stability on the bench. A Gater bag can easily weigh over 25 lbs. filled with heavy sand, so the multi-layered bottom does not have an internal 'donut' like the smaller Edgewood bags. It has a 4" body height, 2" tall ears, and a 3" x 4" ear base. If you shoulder the rear bag once in a while and don't mind hauling the weight, there is nothing more stable on the bench than the Gater. Will require two boxes of heavy sand to fill.

# GATER EDGEWOOD SHOOTING BAGS Safety Instruction Guide

## Introduction

Thank you for choosing the Gater Edgewood Shooting Bags. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your shooting bags. Please read this guide carefully before use to maximize your safety and enjoyment.

## General Safety Guidelines

- Ensure that the shooting bags are used only for their intended purpose.
- Always conduct a visual inspection of the bags before use to check for any signs of damage or wear.
- Keep the shooting bags out of reach of children and vulnerable individuals.
- Do not use the bags in any manner that could pose a risk to yourself or others.
- If you notice any issues during use, stop using the product immediately and consult the relevant authorities or professionals.

## Specific Safety Precautions for Use

- The Gater shooting bags are heavy when filled; ensure that you can safely lift and carry the weight.
- Always place the shooting bags on a stable surface to prevent tipping or rolling.
- Avoid using the bags near the edges of tables or benches to minimize the risk of falling.
- When filling the bags, ensure that the filling material is appropriate and safe for use.
- Be cautious of sharp objects or tools when handling the bags, especially during filling or maintenance.

## Instructions for Installation and Usage

### 1. Filling the Bags:

- Use only extra heavy bag sand as specified in the product details.
- Fill the bags in a wellventilated area to avoid inhalation of dust.
- Ensure that the bags are filled to the recommended weight for optimal performance (over 25 lbs when filled).

### 2. Using the Bags:

- Position the bags securely on your shooting bench.
- Use the rear bag to support your firearm, ensuring it is stable before taking aim.
- Maintain a firm grip on the firearm while using the bags to prevent accidents.

### 3. Maintenance:

- Regularly inspect the bags for any signs of wear or damage.
- Clean the bags with a damp cloth if necessary; do not submerge them in water.
- Store the bags in a dry and safe location when not in use.

## Disposal Instructions

- Dispose of any damaged or unusable bags in accordance with local waste management regulations.
- If the bags are filled with sand or other materials, ensure that these are disposed of responsibly to avoid environmental harm.
- Check with local authorities for proper disposal methods for the materials used in the bags.

## **Contact Information for Further Support**

For any questions or concerns regarding the Gater Edgewood Shooting Bags, please reach out to the designated EU contact point for assistance.

## **Conclusion**

By following the safety guidelines and instructions provided in this manual, you can ensure a safe and enjoyable experience with your Gater Edgewood Shooting Bags. Your safety is our priority, and we encourage you to report any unsafe products or incidents to the relevant authorities. Thank you for your attention to these important safety instructions.
