

GATER - EDGEWOOD SHOOTING BAGS GATER TALL 4"H 3/4" SPREAD 3M SLICK

[Shooting Accessories](#) > [Shooting Rests](#) > [Bench Rest Bags](#)

These premium bags and shooting accessories from Edgewood Leather are innovative in design, made of absolutely the best materials available and will hold up under constant competitive use. All Edgewood Leather Shooting Bags are not filled, unless otherwise specified. See page 167 for Extra Heavy Bag Sand and Forster Kwik-Fill funnel. Yes, it looks sort of like a gater floating with just the eyes above the water. This is a long, heavy bag, about 6½" x 13½", and it is the ultimate in stability on the bench. A Gater bag can easily weigh over 25 lbs. filled with heavy sand, so the multi-layered bottom does not have an internal 'donut' like the smaller Edgewood bags. It has a 4" body height, 2" tall ears, and a 3" x 4" ear base. If you shoulder the rear bag once in a while and don't mind hauling the weight, there is nothing more stable on the bench than the Gater. Will require two boxes of heavy sand to fill.

Attributes

GATER EDGEWOOD SHOOTING BAGS Safety Instruction Guide

Introduction

Thank you for choosing the Gater Edgewood Shooting Bags. This guide provides essential safety instructions to ensure the safe use and handling of your shooting bag. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the shooting bag is used only for its intended purpose.
- Always inspect the bag for any signs of damage before use. Do not use if damaged.
- Keep the shooting bag out of reach of children and vulnerable individuals.
- Use the bag in a safe environment, away from hazards and distractions.
- Follow all local laws and regulations regarding shooting and firearm usage.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- When filling the bag with sand, ensure it is done in a controlled manner to avoid spills.
- Use only the recommended type of sand (Extra Heavy Bag Sand) for filling.
- Ensure the bag is securely filled to avoid shifting during use.
- Avoid lifting the filled bag alone if it exceeds your lifting capacity; seek assistance if needed.
- Do not place any part of your body near the bag when it is being filled or moved.
- Always use the bag on a stable surface to prevent it from tipping over.

Instructions for Installation and Usage

1. Filling the Bag:

- Use two boxes of Extra Heavy Bag Sand for filling.
- Carefully pour the sand into the opening of the bag using a funnel for precision.
- Ensure the bag is filled to the desired weight, avoiding overfilling.

2. Using the Bag:

- Position the bag on a stable shooting bench.
- Place your firearm on the bag, ensuring it is stable and secure.
- Adjust the position of the bag as needed to achieve optimal stability.

3. Maintenance:

- Regularly check the bag for wear and tear.
- Clean the exterior with a damp cloth; do not use harsh chemicals.
- Store the bag in a cool, dry place when not in use.

Disposal Instructions

- Dispose of the bag in accordance with local waste management regulations.
- If the bag is damaged beyond repair, ensure it is disposed of safely to prevent environmental harm.
- Recycle materials where possible.

Contact Information for Further Support
