EDGEBAK STANDARD FRONT REST SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the EDGEBAK STANDARD FRONT REST. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully before using the front rest.

General Safety Guidelines

- Ensure that the front rest is used only for its intended purpose as a shooting bag.
- Regularly inspect the bag for any signs of wear and tear that could affect its performance.
- Keep the front rest out of reach of children and pets to prevent accidents.
- Use the front rest on stable, flat surfaces to avoid tipping or slipping.
- Be aware of your surroundings while using the front rest to avoid accidents.

Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before placing it on the front rest.
- Do not exceed the weight limit specified by the manufacturer for optimal stability.
- Use the front rest only with compatible firearms; check the dimensions of your firearm's stock before use.
- Avoid using the front rest in wet or damp conditions, as this may affect the materials and performance.
- Store the front rest in a cool, dry place when not in use to maintain its integrity.

Instructions for Installation and Usage

1. Setting Up the Front Rest:

- Place the front rest on a stable shooting platform.
- Ensure the base of the bag is flat and secure on the surface.

2. Positioning the Firearm:

- Carefully place the firearm on the front rest, ensuring that the stock fits securely within the extra tall ears of the bag.
- Adjust the position of the firearm as needed to achieve a stable aim.

3. Using the Front Rest:

- Always maintain a firm grip on the firearm when adjusting its position.
- Avoid unnecessary movements that could disrupt your aim.

4. After Use:

- Remove the firearm from the front rest and store it safely according to local regulations.
- Clean the front rest as needed to remove any debris or moisture.

Disposal Instructions

- Dispose of the front rest in accordance with local waste management regulations.
- If the product is damaged beyond repair, consider recycling materials where possible.
