

EDGEWOOD FRONT BENCHREST BAGS - EDGEWOOD SHOOTING BAGS STANDARD FRONT REST 3" VARMINT W/REINFORCED TOP 3M SLICK

[Shooting Accessories](#) > [Shooting Rests](#) > [Bench Rest Bags](#)

Edgewood front bags are constructed much like the rear bags with reinforced leather sides and heavy duty nylon tops. The inside corners feature sewn in nylon inserts to prevent the material from rolling under the stock. All Edgewood Front Bags are available for hunter stocks widths (2¼") or Benchrest stock widths (3"). Each of the two widths are offered in four different styles: Standard Bag, features ½" leather flaps extending along the bottom edges to be pinned under your rest top retaining bars. Or the flaps may be punched, notched, or cut away all together to custom fit your rest. Standard Bag w/reinforced top, has an extra thick top to hold desired forend shape. Farley Bag, which is narrower than the Standard Bag from front to back to specifically fit the Farley Co-Axial and Co-Axial II rests only. Farley Bag w/reinforced top, has an extra thick top to hold desired forend shape. These bags fit old style pre-2009 Farley tops only. New style bags also available.

EDGEWOOD FRONT BENCHREST BAGS Safety Instructions

Introduction

Thank you for choosing the EDGEWOOD FRONT BENCHREST BAGS. This guide provides essential safety instructions to ensure the safe use and handling of your product. Please read this document carefully to understand how to use the bags safely and effectively.

General Safety Guidelines

- **Product Safety:** Ensure that the bags are used as intended and do not exceed their weight capacity.
- **Enhanced Recalls:** Stay informed about any product recalls by checking official sources.
- **Online Shopping:** Always purchase from authorized retailers to ensure product authenticity and safety.
- **Special Consumer Focus:** Keep the bags out of reach of children to prevent accidents.
- **EU Contact Point:** For safety inquiries, refer to the contact information provided by your retailer.
- **Rapid Alerts:** Regularly check the EU's Safety Gate platform for updates on product safety.

Specific Safety Precautions for Use

- **Proper Use:** Only use the bags for their intended purpose as a front rest for shooting.
- **Weight Limits:** Do not exceed the recommended weight limit for the bags to avoid damage.
- **Surface Stability:** Ensure that the surface on which you place the bags is stable and level.
- **Avoid Overfilling:** Follow the instructions for filling the bags to avoid overfilling, which can lead to instability.
- **Inspect Before Use:** Always inspect the bags for any signs of wear or damage before each use.
- **Use in Safe Environment:** Use the bags in a designated shooting area that is safe and free from obstructions.

Instructions for Installation and Usage

1. **Filling the Bags:**
 - Use Extra Heavy Bag Sand for filling the bags.
 - Utilize a small funnel to make the filling process easier and prevent spills.
2. **Setting Up:**
 - Place the filled bag on a stable surface.
 - Ensure that the bag is positioned correctly under your firearm for optimal support.
3. **Adjusting the Bags:**
 - If necessary, adjust the flaps of the bag to fit your specific shooting rest setup.
 - Ensure that the bags are securely positioned to prevent movement during use.
4. **PostUse Care:**
 - After use, remove the bags from the shooting area and store them in a dry place.
 - Regularly clean the bags according to the manufacturer's recommendations to maintain their condition.

Disposal Instructions

- Dispose of any damaged or unusable bags in accordance with local waste disposal regulations.
- Ensure that all filling material is contained and disposed of safely to prevent environmental contamination.

Contact Information for Further Support
