Out with the old and in with the new. Now is the time to upgrade your sling with a new Butler Creek Featherlight Sling. Whether you're shooting shotgun or rifle, these newly designed slings offer a model for you. They are the first in the industry to be made of a lightweight foam, which is 45% lighter than the Butler Creek Quick Carry Padded sling. They also offer breathability with the cut out slots to reduce trapped heat as well as grip the shoulder better. The soft on the shoulder foam also adds comfort, providing all day wearability while being secure on the shoulder with a large thumb loop attached to the bottom of the sling

# Safety Instruction Guide for Butler Creek Featherlight Rifle Sling

## Introduction

Thank you for choosing the Butler Creek Featherlight Rifle Sling. This guide provides essential safety information to ensure the proper use and maintenance of your sling. Please read this manual carefully before use to maximize safety and performance.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the sling by following all instructions. This product is designed for nonfood use and must be handled responsibly.
- **Enhanced Recalls:** Stay informed about any potential recalls. If a safety issue arises, a standardized recall notice will be issued, and remedies will be provided at no cost.
- **Online Shopping:** If purchased online, ensure that the retailer complies with safety requirements equivalent to those in physical stores.
- **Special Consumer Focus:** Use caution when children are present. This product should be used by adults or under adult supervision.
- **EU Contact Point:** For safety inquiries, refer to the designated EU contact point provided by the manufacturer.
- **Rapid Alerts:** Keep updated on product safety through the EU's Safety Gate system for timely information on unsafe products.

## Specific Safety Precautions for Use

- **Weight Limit:** Ensure the sling is used within its designed weight capacity to prevent failure.
- **Inspect Regularly:** Check the sling for any signs of wear or damage before each use. Replace if any defects are found.
- **Proper Adjustment:** Adjust the sling to fit securely and comfortably on your shoulder. An improper fit may lead to accidents.
- **Avoid Overloading:** Do not overload the sling with excessive gear or ammunition that could compromise safety.
- **Secure Firearms:** Always ensure that firearms are securely attached to the sling when in use. This prevents accidental drops or misfires.
- **Use in Safe Environments:** Avoid using the sling in hazardous conditions where slips or falls may occur.

## Instructions for Installation and Usage

### 1. Installation:

- Identify the mounting points on your rifle for the sling swivels.
- Attach the swivels to the rifle securely, ensuring they are locked in place.
- Connect the sling to the swivels, making sure the attachment is firm and stable.

### 2. Adjusting the Sling:

- To adjust the length of the sling, locate the adjustment mechanism.
- Pull the strap to lengthen or shorten as needed, ensuring it fits comfortably on your shoulder.
- Confirm that the adjustment mechanism is securely locked after setting the desired length.

### 3. Using the Sling:

- Place the sling over your shoulder, ensuring it rests comfortably.
- Use the large thumb loop to secure the sling on your shoulder while navigating rough terrain.
- For quick access, utilize the builtin cartridge holders to keep ammunition readily available.

## Disposal Instructions

- **Environmental Responsibility:** Dispose of the sling in accordance with local regulations to minimize environmental impact.
- **Recycling:** If possible, recycle the sling or its components to reduce waste. Check for local recycling programs that accept nylon products.
