Out with the old and in with the new. Now is the time to upgrade your sling with a new Butler Creek Featherlight Sling. Whether you're shooting shotgun or rifle, these newly designed slings offer a model for you. They are the first in the industry to be made of a lightweight foam, which is 45% lighter than the Butler Creek Quick Carry Padded sling. They also offer breathability with the cut out slots to reduce trapped heat as well as grip the shoulder better. The soft on the shoulder foam also adds comfort, providing all day wearability while being secure on the shoulder with a large thumb loop attached to the bottom of the sling

Safety Instruction Guide for Butler Creek Featherlight Rifle Sling

Introduction

Thank you for choosing the Butler Creek Featherlight Rifle Sling. This guide provides essential safety instructions and usage guidelines to ensure safe and effective operation of your new sling. Please read this guide carefully before use.

General Safety Guidelines

- Ensure the sling is compatible with your firearm before use.
- Always handle firearms responsibly and follow all safety protocols.
- Inspect the sling for any signs of damage or wear before each use.
- Keep the sling out of reach of children when not in use.
- Report any unsafe conditions or incidents related to the sling to the appropriate authorities.

Specific Safety Precautions for Use

• Potential Hazards:

- Improper attachment may result in the firearm falling.
- Excessive weight or improper use could lead to discomfort or injury.
- The sling may become entangled in vegetation or other objects.

• Instructions to Avoid Hazards:

- Always ensure the sling is securely attached to both the firearm and your shoulder.
- Adjust the sling length to fit your body comfortably.
- Use caution when navigating rough terrain to prevent entanglement.
- Do not exceed the recommended weight limit of the sling.

• AgeSpecific Warnings:

- This product is not intended for use by children without adult supervision.
- Ensure that any young users are educated on safe firearm handling practices.

Instructions for Installation and Usage

• Installation:

1. Identify the swivel points on your firearm where the sling will attach.
2. Attach the swivel ends of the sling to the designated points securely.
3. Ensure the sling is locked in place and does not loosen during use.

• Usage:

1. Adjust the sling length from 22 inches to over 36 inches as needed for your comfort.
2. Place the sling over your shoulder, allowing it to rest securely.
3. Utilize the large thumb loop for added security while navigating.
4. Store ammunition in the builtin cartridge holders for quick access.

Disposal Instructions

- Dispose of the sling in accordance with local regulations.
- If the sling is damaged beyond repair, consider recycling the materials where possible.
- Do not dispose of the sling in regular household waste if it can be recycled.
