# SHOTGUN CLEANING TOOL SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the OUTERS Shotgun Cleaning Tool for your shotgun maintenance needs. This guide provides essential safety instructions and usage guidelines to ensure your experience with the product is safe and effective. Please read this guide carefully before use.

## General Safety Guidelines

- Always ensure that the shotgun is unloaded before using the cleaning tool.
- Keep the cleaning tool out of reach of children and vulnerable individuals.
- Inspect the cleaning tool regularly for any signs of damage or wear before use.
- Do not use the cleaning tool for purposes other than intended.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.

## Specific Safety Precautions for Use

- **Hazard Identification:** The cleaning tool may pose risks such as injury from sharp edges or improper handling.
- **Avoiding Hazards:**
  - Use the cleaning tool in a wellventilated area to minimize exposure to cleaning chemicals.
  - Wear protective gloves if necessary to avoid skin contact with cleaning solvents.
  - Ensure that the cleaning area is clear of obstacles to prevent trips or falls.
- **Age Specific Warnings:** This product is not suitable for children under 18 years of age. Adult supervision is recommended when used near minors.

## Instructions for Installation and Usage

1. **Assembling the Tool:**
  - For the twopiece set, connect the two parts of the rod securely before use.
  - Ensure the rod is fully extended for optimal cleaning reach.
2. **Using the Cleaning Tool:**
  - Insert the cleaning tool into the bore of the shotgun barrel gently.
  - Twist and slide the tool back and forth to effectively collect debris and fouling.
  - Use the oiling mop stored inside the handle for lubrication after cleaning.
3. **PostUse Care:**
  - After cleaning, wash the tool with warm, soapy water to remove any residue.
  - Rinse thoroughly and allow the tool to dry completely before storing.
4. **Storage:**
  - Store the cleaning tool in the reusable tube provided to protect it from damage.
  - Keep the storage tube in a dry and secure location.

## Disposal Instructions

- Dispose of any used cleaning solvents and materials according to local regulations.
- The cleaning tool itself can be disposed of in regular household waste if it is no longer usable. Ensure that it is cleaned thoroughly before disposal.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the OUTERS Shotgun Cleaning Tool, please refer to the contact information provided on the packaging or visit the manufacturer's website.

By following these guidelines, you can ensure a safe and effective cleaning process for your shotgun. Thank you for your attention to safety and proper usage.
