# FOUR HOLE SKELETON RINGS WEAVER Safety Instruction Guide

## Introduction

Thank you for choosing the FOUR HOLE SKELETON RINGS WEAVER. This guide provides essential safety instructions and guidelines to ensure the safe use and installation of your scope rings. Please read this document carefully to understand how to use the product safely and effectively.

## General Safety Guidelines

- Always inspect the product for any visible damage before use. Do not use if damaged.
- Ensure that the scope rings are compatible with your optic and firearm.
- Keep the product out of reach of children and vulnerable individuals.
- Follow all local laws and regulations regarding the use of firearm accessories.
- Report any unsafe products or accidents to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform for the latest safety information.

## Specific Safety Precautions for Use

- **Installation Safety:** Ensure that you are using the correct tools (Torx screwdriver) for installation to avoid stripping screws.
- **Weight Limitations:** Be aware of the weight limitations of your scope and firearm setup to prevent equipment failure.
- **Proper Mounting:** Ensure that the rings are securely mounted to avoid any movement during use which could lead to misalignment or accidents.
- **Handling:** Handle the rings with care to avoid dropping or damaging them.
- **Environmental Conditions:** Avoid exposing the product to extreme temperatures or moisture which could affect performance.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a Torx screwdriver.
- Ensure that your firearm and optic are clean and free from debris.

### 2. Installation:

- Place the scope rings onto the mounting rail of your firearm.
- Align the rings according to the manufacturer's specifications.
- Insert the Torx screws and tighten them evenly to ensure a secure fit. Do not overtighten as this may strip the screws.

### 3. Usage:

- Once installed, check the alignment of your optic through the scope.
- Make any necessary adjustments to ensure proper eye relief and sight alignment.
- Regularly check the tightness of the screws after use, especially after the first few outings.

### 4. PostUsage Care:

- After use, clean the scope rings and surrounding areas to prevent corrosion.

- Store the product in a dry, cool place away from direct sunlight.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the product in household waste.
- Consider recycling options available in your area to minimize environmental impact.

## **Contact Information for Further Support**

For any questions regarding safety or product use, please reach out to the manufacturer's customer service or consult the product's official website for additional resources.

Thank you for your attention to these safety guidelines. Proper use and care of the FOUR HOLE SKELETON RINGS WEAVER will help ensure a safe and enjoyable experience.
