Safety Instruction Guide for Four Hole Skeleton Rings Weaver 30mm Medium

Introduction

Thank you for choosing the Four Hole Skeleton Rings Weaver 30mm Medium. This product is designed to provide reliable optic mounting with a focus on safety and durability. Please read this safety instruction guide carefully to ensure proper use and maintenance of the product.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the product before use for any signs of damage or wear.
- Keep the product out of reach of children and vulnerable individuals to prevent accidental injury.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates via the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always use the appropriate tools when handling the Torx screws to avoid stripping.
- Ensure that the mounting surface is clean and free from debris before installation.
- Do not exceed the recommended torque specifications when tightening screws.
- Avoid using the rings in extreme temperatures or conditions that may affect their integrity.
- If you notice any unusual movement or loosening of the rings during use, stop using the product immediately and inspect it.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools including a Torx screwdriver.
- Ensure you have a clean, welllit workspace.

2. Installation Steps:

- Align the Four Hole Skeleton Rings with the scope tube.
- Position the rings on the mounting surface where the scope will be attached.
- Insert the Torx screws into the designated holes of the rings.
- Tighten the screws gradually, alternating between screws to ensure even pressure.
- Do not overtighten; refer to the manufacturer's torque specifications if available.

3. Usage Tips:

- Regularly check the tightness of the screws during use, especially after initial installation.
- Clean the rings and screws periodically to prevent buildup of dirt and debris.
- Store the product in a dry place when not in use to prevent corrosion.

Disposal Instructions

- Dispose of the product in accordance with local waste management regulations.
- Do not dispose of the product in regular household waste if it contains electronic components.
- Consider recycling the aluminum material if facilities are available in your area.

Contact Information for Further Support

For any questions or concerns regarding the use or safety of the Four Hole Skeleton Rings Weaver 30mm Medium, please contact the manufacturer directly. Ensure you have the product details available for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your Four Hole Skeleton Rings. Thank you for your attention to these important guidelines.
