

# PREMIUM MSR OPTICS MOUNT - WEAVER PREMIUM 1" FIXED MSR OPTICS MOUNT BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

A specialized modern sporting rifle deserves high-quality accessories. The Weaver Premium Modern Sporting Rifle (MSR) Optics Mount is designed specifically for MSR rifles. The Premium MSR Optics mount lives up to its name, starting with its construction. It's made of lightweight and supremely strong 7075-T6 aircraft-grade aluminum. The anodized Type III hardcoat black matte finish adds further protection and blends in seamlessly with the rifle. The sleek design sets optics at the ideal height, with a forward cantilever for MSR rifles. The edges are slightly radiused to prevent snagging. The Weaver Premium MSR Optics Mount adds an extra layer of durability and performance, but hardly any weight. Available for 1 inch and 30mm optics. Weighs just 6 oz. Double recoil lugs lock mount into place. Premium 7075-T6 aircraft-grade aluminum construction. Mount features Torx-head screws. 3600 lbs of clamping force, more than any other lever-mounting arrangement.

## Attributes

# Safety Instruction Guide for PREMIUM MSR OPTICS MOUNT WEAVER

## Introduction

Thank you for choosing the PREMIUM MSR OPTICS MOUNT WEAVER. This guide provides essential safety instructions and guidelines to ensure the safe use of this product. Please read and understand all instructions before installation and use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the optics mount for any signs of wear or damage.
- Always follow the manufacturer's guidelines for installation and usage.
- Keep the product out of reach of children and vulnerable individuals.
- In case of any malfunction or if you suspect the product is unsafe, cease use immediately and report the issue.

## Specific Safety Precautions for Use

- **Weight Limit:** Ensure that the optics you are mounting do not exceed the weight limit specified by the manufacturer.
- **Installation Surface:** Only install the mount on compatible MSR rifles. Verify compatibility before installation.
- **Secure Fastening:** Always ensure that the Torxhead screws are tightened securely to prevent loosening during use.
- **Check for Snagging:** Inspect the edges of the mount to ensure they are smooth and free from any sharp edges that could cause snagging.
- **Recoil Management:** Ensure that the double recoil lugs are properly engaged to lock the mount in place.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a Torx screwdriver.
- Ensure that you are working in a clean, welllit area.

### 2. Installation:

- Align the optics mount on the rifle's rail system.
- Insert the Torxhead screws into the mounting holes.
- Tighten the screws evenly and securely using the Torx screwdriver.
- Verify that the mount is firmly attached with no movement.

### 3. Optic Mounting:

- Place your optic onto the mount.
- Secure the optic using the appropriate screws provided with the optic.
- Doublecheck that all screws are tightened and that the optic is stable.

### 4. PostInstallation Check:

- Inspect the installation to ensure there are no loose parts.
- Test the stability of the mount by gently applying pressure to the optic.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not throw the product in regular household waste.
- If the product is damaged or no longer functional, consider recycling options available in your area.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please refer to the manufacturer's contact information provided with the product packaging. It is important to have access to this information for any safety concerns or product support.

By following this safety instruction guide, you can ensure the safe and effective use of your PREMIUM MSR OPTICS MOUNT WEAVER. Thank you for your attention to these important safety guidelines.
