

PREMIUM MSR OPTICS MOUNT - WEAVER PREMIUM 30MM FIXED MSR OPTICS MOUNT BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

A specialized modern sporting rifle deserves high-quality accessories. The Weaver Premium Modern Sporting Rifle (MSR) Optics Mount is designed specifically for MSR rifles. The Premium MSR Optics mount lives up to its name, starting with its construction. It's made of lightweight and supremely strong 7075-T6 aircraft-grade aluminum. The anodized Type III hardcoat black matte finish adds further protection and blends in seamlessly with the rifle. The sleek design sets optics at the ideal height, with a forward cantilever for MSR rifles. The edges are slightly radiused to prevent snagging. The Weaver Premium MSR Optics Mount adds an extra layer of durability and performance, but hardly any weight. Available for 1 inch and 30mm optics Weighs just 6 oz. Double recoil lugs lock mount into place Premium 7075-T6 aircraft-grade aluminum construction Mount features Torx-head screws 3600 lbs of clamping force, more than any other lever-mounting arrangement

Safety Instruction Guide for PREMIUM MSR OPTICS MOUNT WEAVER PREMIUM 30MM FIXED MSR OPTICS MOUNT BLACK

Introduction

Thank you for choosing the PREMIUM MSR OPTICS MOUNT WEAVER PREMIUM 30MM FIXED MSR OPTICS MOUNT BLACK. This guide provides important safety information, installation instructions, and proper usage tips to ensure the safe operation of your optics mount. Please read this guide thoroughly before using the product.

General Safety Guidelines

- Ensure that the product is suitable for your specific rifle model before installation.
- Always inspect the optics mount for any signs of damage or wear before use.
- Use the optics mount only for its intended purpose as specified in this guide.
- Keep the product out of reach of children and vulnerable individuals to prevent accidents.
- In case of any malfunction or damage, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Do not exceed the maximum weight limit specified for the optics mount.
- Ensure that all screws and fasteners are securely tightened before using the optics mount.
- Avoid using the optics mount in extreme weather conditions that may compromise its integrity.
- Regularly check for any looseness or damage to the mount during use.
- Be cautious of sharp edges during installation to prevent injury.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including Torxhead screwdrivers.
- Ensure the installation area is clean and free of obstructions.

2. Installation Steps:

- Position the optics mount on the rail of your MSR rifle.
- Align the mount with the desired position on the rail.
- Insert the Torxhead screws into the designated holes and handtighten them.
- Using the Torxhead screwdriver, securely tighten the screws to ensure the mount is firmly attached to the rifle.
- Doublecheck that the mount is stable and does not move when pressure is applied.

3. Using the Optics Mount:

- Attach your chosen optics (1 inch or 30mm) securely to the mount.
- Adjust the optics to your preferred settings as per the manufacturer's instructions.
- Always perform a function check before heading to the range or field.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.

- Consider recycling options for aluminum components where available.

Contact Information for Further Support

For any safety inquiries or assistance regarding the PREMIUM MSR OPTICS MOUNT WEAVER PREMIUM 30MM FIXED MSR OPTICS MOUNT BLACK, please refer to your retailer or the manufacturer's official website for customer support options.

By following these guidelines, you can ensure the safe and effective use of your optics mount. Thank you for your attention to safety.
