Safety Instruction Guide for GRAND SLAM TOP MOUNT RINGS WEAVER 30MM MEDIUM RINGS, BLACK

Introduction

Thank you for choosing the Weaver Grand Slam Top Mount Rings. These rings are designed to provide a secure and reliable mounting solution for your scope. This safety instruction guide is provided to ensure the safe use and installation of the product in compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the product is suitable for your specific scope and firearm combination.
- Regularly inspect the rings for any signs of wear or damage before each use.
- Always follow the manufacturer's instructions for installation and usage.
- Store the product in a cool, dry place away from moisture and extreme temperatures.
- Keep the product out of reach of children and pets to prevent accidents.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- Use only the recommended tools for installation to avoid damaging the rings or your scope.
- Do not exceed the recommended torque specifications when tightening screws.
- Ensure that the scope is properly aligned within the rings before securing.
- Avoid using the rings if they have been involved in an impact or if they show signs of damage.
- Always check the mounting after initial use and periodically thereafter to ensure secure attachment.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools including a Torx screwdriver.
- Ensure that the work area is clean and free of obstructions.

2. Installation Steps:

- **Step 1:** Place the Weaverstyle base on the firearm's mounting surface.
- **Step 2:** Position the Grand Slam Rings on the base, ensuring that the integrated square recoil lug fits securely into the base slot.
- **Step 3:** Place the scope into the rings, ensuring it is properly centered and aligned.
- **Step 4:** Using the Torx head screws provided, secure the rings to the base.
- **Step 5:** Gradually tighten the screws in a crisscross pattern to ensure even pressure, adhering to the recommended torque specifications.
- **Step 6:** Once the rings are secure, doublecheck the alignment of the scope.

3. Usage Tips:

- Regularly check the tightness of the screws, especially after heavy use or transportation.
- If you notice any shift in the scope's position, immediately check the mounting and retighten as necessary.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Recycle materials where possible; check with local recycling facilities for guidelines on metal and plastic disposal.

Contact Information for Further Support

For any inquiries or to report safety concerns, please refer to the manufacturer's contact information provided with the product packaging.

This guide aims to promote the safe use of the Weaver Grand Slam Top Mount Rings while ensuring compliance with the EU General Product Safety Regulation. Please follow these instructions carefully to ensure your safety and the proper functioning of your product.
