# Safety Instruction Guide for GRAND SLAM TOP MOUNT RINGS WEAVER 30MM LOW RINGS, BLACK

## Introduction

Thank you for choosing the GRAND SLAM TOP MOUNT RINGS WEAVER 30MM LOW RINGS. These scope rings are designed to provide secure mounting for your optical equipment, enhancing your shooting experience. This guide outlines important safety instructions to ensure the safe use and installation of your product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Regularly inspect the rings for any signs of wear or damage before each use.
- Keep the product out of reach of children and vulnerable individuals.
- Do not modify the product in any way, as this may compromise its safety and effectiveness.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always ensure that the scope is properly secured in the rings before use.
- Use the appropriate tools and screws provided for installation to avoid stripping or damaging components.
- Avoid overtightening screws, as this can lead to damage or failure of the rings.
- Do not exceed the recommended weight limit for the scope being mounted.
- Be cautious of recoil; ensure that the rings are firmly attached to avoid movement during use.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools, including a Torx screwdriver.
- Ensure that the mounting surface is clean and free of debris.

### 2. Installation:

- Position the rings on the Weaverstyle base, ensuring they are aligned correctly.
- Insert the Torx head screws into the integrated square recoil lug of each ring.
- Tighten the screws gradually and evenly, ensuring that they are secure but not overtightened.

### 3. Mounting the Scope:

- Place the scope into the rings, ensuring it is level and positioned correctly for your shooting needs.
- Adjust the rings to secure the scope firmly in place.
- Doublecheck the tightness of the screws after the scope is mounted.

### 4. Final Check:

- Before heading out, inspect the installation to ensure everything is secure.
- Test the scope alignment and make any necessary adjustments.

## **Disposal Instructions**

- Dispose of the product in accordance with local waste management regulations.
- If the product is damaged or no longer usable, ensure it is disposed of safely to prevent any potential hazards.

## **Contact Information for Further Support**

For further assistance or inquiries regarding the GRAND SLAM TOP MOUNT RINGS, please refer to the product packaging or your point of purchase for contact details. Ensure that you have the product information available when seeking support.

This safety instruction guide is designed to help you use the GRAND SLAM TOP MOUNT RINGS safely and effectively. Always prioritize safety and follow the guidelines provided to ensure a positive shooting experience.
