ULTIMATE HANDGUN DIE PACK SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the ULTIMATE HANDGUN DIE PACK by Mark 7 Reloading. This product is designed to provide you with an exceptional reloading experience while ensuring safety and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully to understand how to use the die pack safely and effectively.

General Safety Guidelines

- Always follow the manufacturer's instructions when using the die pack.
- Ensure that the workspace is clean, welllit, and free from distractions.
- Keep the die pack out of reach of children and vulnerable individuals.
- Regularly inspect the die pack for any signs of wear or damage before use.
- Use personal protective equipment (PPE) such as safety glasses and gloves when handling reloading equipment.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay updated on safety recalls by checking the EU Safety Gate platform.

Specific Safety Precautions for Use

• Hazard Identification

- Potential hazards include sharp edges, moving parts, and the risk of injury from improper handling.

• Avoiding Hazards

- Always handle the die pack with care to avoid cuts from sharp components.
- Ensure that all parts are securely fastened before use.
- Do not attempt to modify or alter the die pack in any way.
- Ensure that the dies are properly adjusted and aligned during operation.

• AgeSpecific Warnings

- This product is intended for use by adults only. Keep it away from children.
- Ensure that anyone using the die pack has received proper training and understands safe reloading practices.

Instructions for Installation and Usage

• Installation

1. Unpack the die pack and ensure all components are present.
2. Place the die pack on a stable, flat surface.
3. Secure the die pack to your reloading press according to the manufacturer's instructions.
4. Ensure that all dies are tightened and properly aligned.

• Usage

- Follow the specific instructions for each die included in the pack:
- **Sizing Die:** Use to resize cases to proper dimensions.

- **Decapping Die:** Remove spent primers safely.
- **Bullet Seating Die:** Adjust to achieve desired bullet depth.
- **Taper Crimp Die:** Apply crimp to secure bullets in cases.
- Always check the operation of each die before starting a reloading session.
- Maintain a clean working environment to prevent contamination of components.

Disposal Instructions

- Dispose of any unused or damaged components in accordance with local regulations.
- Do not dispose of the die pack in regular household waste.
- Contact your local waste management authority for proper disposal methods.

Contact Information for Further Support

For any questions or concerns regarding the ULTIMATE HANDGUN DIE PACK, please refer to the manufacturer's website or contact their customer support for assistance. It is important to have a clear point of contact for safety inquiries.

By following these safety instructions, you can ensure a safe and effective reloading experience with the ULTIMATE HANDGUN DIE PACK. Always prioritize safety and compliance with regulations to protect yourself and others. Thank you for your attention and safe reloading!
