

ULTRA 20 PISTOL CLEANING MAT - TEK MAT TEKMAT ULTRA 20 SIG SAUER P365 GUN CLEANING MAT GRAY

[Gunsmith Tools](#) > [General Gunsmith Tools](#) > [Bench Mats](#)

A Cleaning Mat Designed to Aid in Handgun Disassembly

TekMat revolutionized the firearm-cleaning market with its line of cleaning mats that were more than just protective work surfaces. These cleaning mats included diagrams and schematics of today's popular firearms, allowing users to get an inside look at their gun and easily disassemble and reassemble firearms. The company's new Ultra 20 Pistol Cleaning Mat continues this legacy with a few improved elements. Each TekMat Ultra 20 Pistol Cleaning Mat is constructed using a clear dye-sublimation printing technique that makes the mat waterproof, scratchproof, oil- and chemical-resistant and washable. The company's direct-vulcanization technique adheres the mat's surface to a rubber backing, which provides padding and durability. The complete line of TekMat Ultra 20 Pistol Cleaning Mats includes a parts list that matches the manufacturer's list of parts, so there's no chance of confusion, and you'll always know what part goes where and which parts you might need to order to repair or complete your firearm. This line of pistol mats is available for the 1911, Beretta 92, Glock Gen 4, SIG Sauer P238 and P320 and the Springfield XD line.

ULTRA 20 Pistol Cleaning Mat Safety Instructions

Introduction

Thank you for choosing the ULTRA 20 Pistol Cleaning Mat. This product is designed to provide a safe and effective surface for cleaning your firearms. It incorporates advanced materials and features that enhance its usability while ensuring compliance with safety regulations. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- Always use the cleaning mat on a stable and flat surface to prevent accidents.
- Ensure that all firearms are unloaded before placing them on the mat for cleaning.
- Keep the mat out of reach of children and vulnerable individuals to prevent accidental injury.
- Be aware of any chemicals used during the cleaning process, and follow the manufacturer's safety instructions for those products.
- Regularly inspect the mat for any signs of wear or damage. If the mat is damaged, discontinue use and replace it.

Specific Safety Precautions for Use

- Avoid using sharp objects on the mat that may cause cuts or punctures.
- Do not expose the mat to extreme heat sources, as this may damage the material.
- Ensure that cleaning solvents and oils are compatible with the mat's surface to prevent deterioration.
- Always follow the firearm manufacturer's guidelines when disassembling and reassembling your firearm.
- If you experience any allergic reactions to cleaning products, discontinue use and consult a medical professional.

Instructions for Installation and Usage

1. Preparation:

- Unroll the mat and lay it flat on a stable surface.
- Ensure the mat is clean and free from debris before use.

2. Using the Mat:

- Place your unloaded firearm on the designated area of the mat.
- Refer to the printed diagrams and schematics on the mat for guidance on disassembly and reassembly.
- Use appropriate cleaning tools and solvents as per the firearm manufacturer's instructions.

3. Cleaning the Mat:

- After use, wipe the mat with a damp cloth to remove any residue.
- For deeper cleaning, use mild soap and water, and allow the mat to air dry completely before storing.

4. Storage:

- Store the mat in a cool, dry place away from direct sunlight.
- Avoid folding the mat to prevent creasing; roll it up instead for storage.

Disposal Instructions

- Dispose of the mat in accordance with local regulations regarding rubber and synthetic materials.
- Do not incinerate the mat, as it may release harmful substances when burned.
- If the mat is damaged beyond repair, consider recycling options available in your area.

Contact Information for Further Support

For any questions regarding the ULTRA 20 Pistol Cleaning Mat or to report any safety concerns, please contact the manufacturer through the provided channels. Ensure you have the product details available for reference.

By following these safety instructions, you can ensure a safe and effective cleaning experience with your ULTRA 20 Pistol Cleaning Mat. Thank you for your attention to safety and for choosing our product.
