

# AUS OPTIC MOUNT - REPTILIA CORP 30MM 1.54" 0 MOA AUS OPTIC MOUNT FDE

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

The AUS Mount for magnified optics, from Reptilia. Driven by the request of an end user group, the AUS Mount is the culmination of a 2 year development program. Like their DOT Mount line the AUS Mount attaches to any M1913 Picatinny rail via an anti-snag spring-loaded nitrided steel clamp and custom bolt mounting system which can be tightened with either a 5/32 hex or a flat blade driver to sit flush with the body of the mount for a low-profile, streamline design. Also like their DOT Mount line, the AUS mount is machined from a single piece of billet 7075-T6 aluminum and is finished with MIL-STD Type III, Class 2, hard anodize coating. The AUS is compatible with all of Reptilia's existing ROF line. Like all Reptilia products, the AUS Mount is 100% made in the USA and carries a full lifetime warranty against manufacturer defects.

## Attributes

- Name: [REPTILIA CORP 30MM 1.54" 0 MOA AUS OPTIC MOUNT FDE](#)
- Manufacturer: [REPTILIA CORP](#)
- Product no.: 100047200
- Mfr. No.: 100122
- Elevation: 0 MOA
- Finish: Flat Dark Earth
- Height: 1.54"
- Scope Tube Diameter: 30mm
- Style: Picatinny,Mount
- Delivery weight: 0.272kg
- Shipping height: 64mm
- Shipping width: 114mm
- Shipping length: 191mm
- UPC: 850022282157

# Safety Instruction Guide for AUS OPTIC MOUNT REPTILIA CORP 30MM 1.54" 0 MOA

## Introduction

Thank you for choosing the AUS Optic Mount from Reptilia Corp. This guide provides essential safety information, installation instructions, and usage guidelines to ensure the safe and effective use of your product. Please read this document carefully before using the mount.

## General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always inspect the mount for damage before installation and use.
- Keep the mount out of reach of children and vulnerable individuals.
- Report any unsafe conditions or product defects to the appropriate authorities.
- Check for recall updates on the EU's Safety Gate platform regularly.

## Specific Safety Precautions for Use

- Use the mount only with compatible optics and equipment.
- Do not exceed the recommended weight limits for the mount.
- Avoid using the mount in extreme conditions that may compromise its integrity.
- Ensure that all mounting hardware is securely tightened before use.
- Do not modify the mount in any way, as this may affect its safety and performance.

## Instructions for Installation and Usage

### 1. Installation Steps:

- Start by ensuring you have the following tools: a 5/32 hex wrench or a flat blade driver.
- Inspect the Picatinny rail on your firearm for cleanliness and damage.
- Align the AUS Mount with the M1913 Picatinny rail.
- Use the antisnag springloaded nitrided steel clamp to secure the mount to the rail.
- Tighten the mounting hardware using the chosen tool until it sits flush with the body of the mount, ensuring a lowprofile design.

### 2. Usage Guidelines:

- Once installed, check that the mount is securely attached before attaching your optic.
- Follow the manufacturer's instructions for attaching your optic to the mount.
- Regularly inspect the mount and optic for any signs of wear or damage during use.
- If you notice any issues, remove the mount and inspect it thoroughly before further use.

## Disposal Instructions

- Dispose of the AUS Optic Mount in accordance with local regulations.
- Do not dispose of the mount in regular household waste if it is damaged or defective.
- Contact local waste management authorities for guidance on proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or additional support, please refer to the contact information provided on the packaging

or visit the manufacturer's website.

By following these guidelines, you can ensure the safe and effective use of your AUS Optic Mount. Thank you for your attention to safety and for choosing Reptilia Corp products.
