

AUS OPTIC MOUNT - REPTILIA CORP 34MM 1.54" 0 MOA AUS OPTIC MOUNT FDE

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

The AUS Mount for magnified optics, from Reptilia. Driven by the request of an end user group, the AUS Mount is the culmination of a 2 year development program. Like their DOT Mount line the AUS Mount attaches to any M1913 Picatinny rail via an anti-snag spring-loaded nitrided steel clamp and custom bolt mounting system which can be tightened with either a 5/32 hex or a flat blade driver to sit flush with the body of the mount for a low-profile, streamline design. Also like their DOT Mount line, the AUS mount is machined from a single piece of billet 7075-T6 aluminum and is finished with MIL-STD Type III, Class 2, hard anodize coating. The AUS is compatible with all of Reptilia's existing ROF line. Like all Reptilia products, the AUS Mount is 100% made in the USA and carries a full lifetime warranty against manufacturer defects.

Attributes

- Name: [REPTILIA CORP 34MM 1.54" 0 MOA AUS OPTIC MOUNT FDE](#)
- Manufacturer: [REPTILIA CORP](#)
- Product no.: 100047202
- Mfr. No.: 100155
- Elevation: 0 MOA
- Finish: Flat Dark Earth
- Height: 1.54"
- Scope Tube Diameter: 34mm
- Style: Picatinny,Mount
- Delivery weight: 0.259kg
- Shipping height: 70mm
- Shipping width: 108mm
- Shipping length: 184mm
- UPC: 850022282188

AUS OPTIC MOUNT REPTILIA CORP Safety Instructions

Introduction

Thank you for choosing the AUS Optic Mount from Reptilia Corp. This manual provides essential safety instructions to ensure the proper and safe use of your product. Please read and follow these guidelines carefully to maximize your safety and the performance of the AUS Optic Mount.

General Safety Guidelines

- Ensure that the AUS Optic Mount is used only for its intended purpose, which is to securely mount magnified optics to a firearm.
- Always handle the mount with care to avoid injury or damage to the product.
- Keep the mount out of reach of children and unauthorized users.
- Regularly inspect the mount for any signs of wear, damage, or malfunction before each use.
- If you notice any damage or defects, discontinue use immediately and consult a qualified professional for assessment.

Specific Safety Precautions for Use

- Always follow the manufacturer's instructions for installation and usage.
- Ensure that the mount is securely fastened to the M1913 Picatinny rail before use.
- Do not exceed the recommended weight limit for optics mounted on the AUS Optic Mount.
- Avoid using the mount in extreme conditions (e.g., excessive heat, cold, or humidity) that may affect its performance.
- When making adjustments or tightening bolts, use the correct tools (5/32 hex or flat blade driver) to prevent injury or damage to the mount.
- Be aware of your surroundings and ensure that the firearm is pointed in a safe direction at all times when installing or using the mount.

Instructions for Installation and Usage

1. Installation:

- Place the AUS Optic Mount onto the M1913 Picatinny rail.
- Align the mount to the desired position.
- Use the antislug springloaded nitrided steel clamp to secure the mount in place.
- Tighten the custom bolt using either a 5/32 hex or flat blade driver until flush with the body of the mount.

2. Usage:

- Before use, ensure that the mount is securely attached and that the optics are properly aligned.
- Regularly check the mount's tightness during use, especially after extended periods of shooting or movement.
- Follow the manufacturer's guidelines for the specific optic being mounted to ensure compatibility and safety.

Disposal Instructions

- Dispose of the AUS Optic Mount according to local regulations for aluminum products.
- Do not dispose of the mount in regular household waste.

- If the mount is damaged beyond repair, please consult local recycling facilities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding safety, installation, or product support, please refer to the manufacturer's website or contact their customer service directly.

By adhering to these safety instructions, you can ensure a safe and effective experience with your AUS Optic Mount. Thank you for your attention to these important guidelines.
