

# AIMPOINT ACRO RED DOT MOUNT - AIMPOINT ACRO LOWER 1/3 MOUNT, FDE

[Optics & Mounting](#) > [Electronic Sights](#) > [Mounting Hardware](#)

## A Battle-Ready Mount Compatible with the Aimpoint ACRO

Released in 2019, the Aimpoint ACRO revolutionized the red-dot, reflex-sight market by providing a self-contained unit that solved many of the issues surrounding slide-mounted reflex optics that are becoming more popular with today's handguns. However, that's not all the ACRO is good for! With the Reptilia DOT Mount, this optic can also be tossed onto your AR-15 and will sit in the traditional lower 1/3 co-witness mount that's compatible with your folding backup iron sights. Each Reptilia DOT Mount is machined from 7075-T6 aluminum and features a hard-coat anodized finish. The mount itself features a spring-loaded clamp that attaches it to any standard Picatinny optics rail, and the clamp and its mounting bolt are flush with the mount body, so it won't snag on anything in your environment. Each mount is made in the USA and carries a full lifetime warranty.

## Attributes

- Name: [AIMPOINT ACRO LOWER 1/3 MOUNT, FDE](#)
- Manufacturer: [REPTILIA CORP](#)
- Product no.: 100047207
- Mfr. No.: 100027

# Aimpoint ACRO Red Dot Mount Safety Instructions

## Introduction

Thank you for choosing the Aimpoint ACRO Red Dot Mount. This guide provides essential safety information, installation instructions, and proper usage guidelines to ensure your safety and the effective performance of your product. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the mount is compatible with your specific Aimpoint ACRO optic before installation.
- Inspect the mount and optic for any damage before each use. Do not use if damaged.
- Always follow the manufacturer's instructions for the Aimpoint ACRO optic when mounting and using the device.
- Keep the product out of reach of children and unauthorized users.
- Store the mount in a cool, dry place when not in use to prevent corrosion or damage.
- Be aware of your surroundings while using the mount and optic to avoid accidents.

## Specific Safety Precautions for Use

- **Installation Precautions:**

- Ensure the Picatinny rail is clean and free from debris before installation.
- Do not overtighten the mounting clamp as this may damage the rail or the mount.

- **Usage Precautions:**

- Always use eye protection when using firearms equipped with the mount and optic.
- Avoid exposing the mount to extreme temperatures or harsh chemicals.
- Regularly check the tightness of the mount to ensure it remains securely attached during use.

- **AgeSpecific Warnings:**

- This product is intended for use by individuals who are 18 years or older. Keep out of reach of children.

## Instructions for Installation and Usage

### Installation Instructions

1. **Prepare the Mount:**

- Remove the mount from its packaging.
- Inspect the mount for any visible defects.

2. **Mount to Picatinny Rail:**

- Position the mount on the desired location of the Picatinny rail on your firearm.
- Align the springloaded clamp with the rail slots.

3. **Attach the Mount:**

- Press the clamp down firmly onto the rail.
- Use the mounting bolt to tighten the clamp securely. Ensure it is snug but do not overtighten.

#### **4. Attach the Optic:**

- Follow the Aimpoint ACRO optic installation instructions to attach the optic to the mount.

#### **5. Final Check:**

- Ensure the mount and optic are securely attached and properly aligned.
- Perform a function check to ensure everything is operating correctly.

### **Usage Instructions**

- Always ensure the firearm is pointed in a safe direction when using the mount and optic.
- Familiarize yourself with the operation of the Aimpoint ACRO optic before use.
- Regularly clean and maintain the mount and optic according to the manufacturer's recommendations.

### **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the mount in household waste. Instead, take it to a designated recycling or waste disposal facility.

### **Contact Information for Further Support**

For additional support or safety inquiries, please refer to the manufacturer's customer service resources. Always keep this guide for future reference and ensure all users of the product are informed of these safety instructions.
