

ROF-90 TRIJICON RMR/SRO MOUNT - REPTILIA CORP ROF-90 34MM GEISSELE SUPER PRECISION MOUNT & RMR/SRO BLACK

[Optics & Mounting](#) > [Electronic Sights](#) > [Mounting Hardware](#)

The Reptilia ROF-90 is a drop-in upgrade for magnified scope mounts. Available initially Geissele Automatics' Super Precision optic mount, it adds a 90° mounting point for a Trijicon RMR to provide a fast, close-range optic to your magnified scope. Each ROF model is designed to minimize each optic's distance from the host scope's centerline, while ensuring enough clearance that the sight picture isn't obscured. Compatible with: Trijicon® - RMR & SRO Holosun® Technologies - HS407, HE407, HS507, HE507, & HE508 Series

Safety Instruction Guide for ROF90 TRIJICON RMR/SRO MOUNT

Introduction

Thank you for choosing the Reptilia ROF90 TRIJICON RMR/SRO MOUNT. This guide provides essential safety instructions and information to ensure the safe and effective use of this product. Please read and follow these instructions carefully to minimize risks and enhance your experience.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the ROF90 mount by following the instructions provided. This product is designed for nonfood use and aligns with EU safety standards.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. If a recall occurs, remedies will be provided at no cost.
- **Online Shopping:** If purchased online, ensure that the platform complies with safety requirements similar to physical stores.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach to prevent accidents.
- **EU Contact Point:** For safety inquiries, please refer to the appropriate EU-based contact.
- **Rapid Alerts:** Monitor updates on unsafe products through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Compatibility:** Ensure the ROF90 mount is compatible with your optic devices (Trijicon RMR, Trijicon SRO, Holosun HS407, HE407, HS507, HE508).
- **Inspection:** Before installation, inspect the mount for any signs of damage or defects. Do not use if damaged.
- **Secure Mounting:** Ensure that the mount is securely attached to the host scope to prevent any movement or detachment during use.
- **Avoid Overtightening:** When installing, do not overtighten screws as this may damage the mount or the host scope.
- **Proper Handling:** Handle the mount with care to avoid dropping or mishandling, which could lead to damage or injury.
- **Use in Safe Environments:** Avoid using the mount in extreme weather conditions or environments that may compromise its integrity.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation, including a screwdriver appropriate for the screws provided with the mount.
- Ensure your workspace is clean and free from distractions.

2. Installation Steps:

- **Step 1:** Remove the existing mount (if applicable) from your magnified scope.
- **Step 2:** Align the ROF90 mount with the mounting points on your scope.
- **Step 3:** Insert the screws into the designated holes and tighten them gently to secure the mount.
- **Step 4:** Check the alignment of the mount to ensure it is straight and properly positioned.
- **Step 5:** Once aligned, tighten the screws firmly but do not overtighten.

3. Usage:

- Attach your Trijicon RMR or SRO optic to the ROF90 mount.
- Ensure that the optic is securely fastened and does not wobble.
- Adjust your optic settings as necessary for your intended use.

Disposal Instructions

- Dispose of the ROF90 mount in accordance with local regulations.
- Do not dispose of the mount in regular household waste if it is damaged or no longer usable.
- Check with local waste management authorities for proper disposal methods for electronic and metal components.

Contact Information for Further Support

For any questions or concerns regarding the ROF90 TRIJICON RMR/SRO MOUNT, please refer to the product packaging or the retailer from whom you purchased the item for appropriate contact information.

By following these safety instructions, you can ensure a safe and effective experience with your Reptilia ROF90 TRIJICON RMR/SRO MOUNT. Thank you for your attention to these important safety guidelines.
