

ROF-SAR FOR TRIJICON RMR/SRO - REPTILIA CORP ROF-SAR 30MM FOR TRIJICON RMR/SRO BLACK

[Optics & Mounting](#) > [Electronic Sights](#) > [Mounting Hardware](#)

The Reptilia ROF SAR is a drop-in upgrade for magnified scopes with an objective diameter of 33mm or less. Available initially to fit 30mm scope tubes, it adds a mounting point for a Trijicon RMR® to provide a fast, close-range option to your magnified scope. The ROF-SAR can easily position the reflex optic at 90°, 45°, or any angle the user prefers. The ROF Riser can be added if additional height is needed to clear a host scope's turrets.

Safety Instruction Guide for ROFSAR for Trijicon RMR/SRO

Introduction

Thank you for choosing the ROFSAR for Trijicon RMR/SRO by Reptilia Corp. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your product. Please read this manual carefully before installation and usage.

General Safety Guidelines

- **Product Safety:** Ensure safe use of all nonfood products, including new technologies and online purchases. Be aware of risks not addressed by other EU laws.
- **Enhanced Recalls:** Stay informed about standardized recall notices and free remedies for dangerous products.
- **Online Shopping:** Enjoy the same protections when purchasing online as you would in physical stores.
- **Special Consumer Focus:** Extra safeguards are in place for vulnerable groups, such as children.
- **EU Contact Point:** All products must have an EU-based contact for safety inquiries.
- **Rapid Alerts:** Stay updated on unsafe products via the Safety Gate system.
- **Reporting:** Report unsafe products and accidents to the appropriate authorities. Regularly check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Installation Precautions:** Ensure that the mounting surface is clean and free of debris before installation. Use appropriate tools to avoid damaging the product or the host scope.
- **Usage Precautions:** Always check the tightness of the mounting screws before each use. Do not exceed the recommended weight limit for the mounted optic.
- **Environmental Precautions:** Avoid exposing the product to extreme temperatures or harsh weather conditions. Protect the product from moisture and humidity to prevent corrosion.
- **Age Restrictions:** This product is not intended for use by children. Keep out of reach of minors.

Instructions for Installation and Usage

1. Installation:

- Ensure you have the following tools ready: a screwdriver and an appropriate wrench.
- Remove any existing accessories from your scope that may interfere with installation.
- Align the ROFSAR with the mounting point on your 30mm scope tube.
- Secure the ROFSAR using the provided screws. Ensure they are tightened but do not overtighten to avoid damage.
- If additional height is required, consider adding the ROF Riser.

2. Usage:

- Once installed, position your Trijicon RMR® at the desired angle (90°, 45°, or any userpreferred angle).
- After positioning, ensure the optic is securely fastened.
- Regularly check the alignment and security of the optic during use.

3. Maintenance:

- Periodically inspect the ROFSAR for any signs of wear or damage.

- Clean the product with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials.

Disposal Instructions

- **Product Disposal:** Follow local regulations for the disposal of electronic and mechanical products. Do not dispose of the product in regular household waste. Instead, take it to a designated recycling facility.
- **Packaging Disposal:** Recycle packaging materials where possible. Follow local recycling guidelines for cardboard, plastic, and other materials.

Contact Information for Further Support

For any questions or concerns regarding the ROFSAR for Trijicon RMR/SRO, please refer to the manufacturer's website or contact the EUbased support team for assistance.

By following these safety guidelines and instructions, you can ensure the safe and effective use of your ROFSAR for Trijicon RMR/SRO. Thank you for your attention to safety, and enjoy your product!
