

# ROF-SAR FOR TRIJICON RMR/SRO - REPTILIA CORP ROF-SAR 30MM FOR TRIJICON RMR/SRO FDE

[Optics & Mounting](#) > [Electronic Sights](#) > [Mounting Hardware](#)

The Reptilia ROF SAR is a drop-in upgrade for magnified scopes with an objective diameter of 33mm or less. Available initially to fit 30mm scope tubes, it adds a mounting point for a Trijicon RMR® to provide a fast, close-range option to your magnified scope. The ROF-SAR can easily position the reflex optic at 90°, 45°, or any angle the user prefers. The ROF Riser can be added if additional height is needed to clear a host scope's turrets.

# ROFSAR for Trijicon RMR/SRO Safety Instructions

## Introduction

Thank you for choosing the Reptilia ROFSAR for your Trijicon RMR/SRO. This product is a dropin upgrade designed to enhance your magnified scope experience. It is important to follow these safety instructions carefully to ensure safe and effective use of the product.

## General Safety Guidelines

- **Product Safety:** Ensure that the ROFSAR is installed and used according to the instructions provided. This will help prevent accidents and injuries.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. If a recall occurs, follow the instructions provided for a remedy.
- **Online Shopping:** When purchasing online, ensure that the seller complies with safety regulations. Verify that the product is genuine and meets EU safety standards.
- **Special Consumer Focus:** This product is not intended for use by children. Keep it out of reach of minors to avoid accidents.
- **EU Contact Point:** For any safety inquiries, refer to the contact information provided by the manufacturer or retailer.
- **Rapid Alerts:** Regularly check the EU Safety Gate platform for updates on product safety and recalls.

## Specific Safety Precautions for Use

- **Avoid Improper Installation:** Ensure that the ROFSAR is installed correctly to prevent it from loosening or detaching during use.
- **Check Compatibility:** Confirm that your scope has an objective diameter of 33mm or less and fits the 30mm scope tube to ensure proper fit and function.
- **Secure Mounting:** Always check that the Trijicon RMR® is securely mounted to the ROFSAR before use.
- **Regular Inspections:** Periodically inspect the ROFSAR for signs of wear or damage. Replace any damaged components immediately.
- **Use in Appropriate Conditions:** Avoid using the product in extreme weather conditions that could affect its performance.
- **Follow Manufacturer's Instructions:** Always adhere to the manufacturer's guidelines for use and maintenance.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather all necessary tools and components for installation.
- Ensure your workspace is clean and free of distractions.

### 2. Installing the ROFSAR:

- Remove the existing mount from your scope if applicable.
- Align the ROFSAR with the scope tube, ensuring it fits securely.
- Use the provided screws to attach the ROFSAR to the scope. Tighten screws evenly to avoid misalignment.
- Confirm that the ROFSAR is positioned at the desired angle (90°, 45°, or any preferred angle).

### 3. Mounting the Trijicon RMR®:

- Attach the Trijicon RMR® to the mounting point on the ROFSAR.

- Ensure it is securely fastened and does not wobble.

#### 4. Adjusting Height (if necessary):

- If additional height is required, install the ROF Riser according to the manufacturer's instructions.

#### 5. Final Check:

- Once installed, doublecheck all connections and ensure everything is secure before use.
- Conduct a test to verify that the optics are functioning correctly.

## Disposal Instructions

- **Environmental Considerations:** Follow local regulations for the disposal of electronic and mechanical components.
- **Recycling:** If possible, recycle any nonfunctional parts of the ROFSAR. Check with local recycling centers for proper disposal methods.

## Contact Information for Further Support

For any questions or concerns regarding the ROFSAR, please refer to the manufacturer's contact information provided at the point of purchase or on the product packaging. It is important to address any issues promptly to ensure safe and effective use of the product.

Thank you for your attention to these safety instructions. Enjoy your enhanced shooting experience with the Reptilia ROFSAR!
