

# **S&W N-FRAME TAC DIAMOND GRIPS - VZ GRIPS S&W N-FRAME, TAC DIAMOND, ROUND BUTT, BLACK CHERRY**

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

The Tactical Diamonds are the response to those who like a more aggressive texture than the 320s can provide. Keep in mind these are very grippy due to the fact that the diamond pattern can be cut a lot sharper in the G10.

Available in round butt or square butt for the N-Frame. T-15 Screw Included

TEXTURE: Very Grippy USE: Carry, Tactical, Tournament Shooter MATERIAL: G10

# Safety Instruction Guide for S&W NFRAME TAC DIAMOND GRIPS

## Introduction

Thank you for choosing the S&W NFRAME TAC DIAMOND GRIPS by VZ GRIPS. This guide provides important safety information and instructions to ensure the safe use of your grips. Please read this document carefully before installation and use.

## General Safety Guidelines

- Ensure that the grips are suitable for your specific firearm model, the Smith & Wesson NFrame.
- Inspect the grips for any damage or defects before installation. Do not use damaged grips.
- Follow all local laws and regulations regarding firearm accessories.
- Keep the grips out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Regularly check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- The grips feature a very grippy texture due to the diamond pattern cut in G10 material. Ensure a secure grip during use to prevent slippage.
- Avoid using the grips in wet or slippery conditions, as this may affect grip performance.
- Do not modify or alter the grips in any way, as this may compromise safety.
- Always use the included T15 screw for installation. Ensure it is securely tightened but do not overtighten, as this may damage the grips or firearm.
- If you experience any discomfort or issues while using the grips, discontinue use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure your firearm is unloaded and pointed in a safe direction before beginning installation.
- Gather necessary tools, including a T15 screwdriver.

### 2. Installation:

- Remove the existing grips from your Smith & Wesson NFrame by unscrewing the screws.
- Align the new TAC DIAMOND GRIPS with the grip frame of the firearm.
- Secure the grips in place using the provided T15 screw. Tighten the screw until snug, but avoid overtightening.
- Check that the grips are firmly attached and there is no movement.

### 3. Usage:

- When handling your firearm with the new grips, ensure a firm and secure hold.
- Practice safe firearm handling at all times, including keeping your finger off the trigger until ready to shoot.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local waste management regulations.
- If the grips are damaged or no longer usable, dispose of them responsibly. Consider recycling if possible, following local guidelines for G10 material.

## Contact Information for Further Support

For any safety inquiries or concerns regarding the S&W NFRAME TAC DIAMOND GRIPS, please refer to the manufacturer's contact information, which can typically be found on their official website or product packaging.

Thank you for prioritizing safety while using your S&W NFRAME TAC DIAMOND GRIPS. Your safety and satisfaction are our top priorities.
