

# 1911 GOVERNMENT HYDRA GRIPS - VZ GRIPS 1911 GOVERNMENT, HYDRA, PREDITOR GREEN BURL

[Handgun Parts](#) > [Grip Parts](#) > [Grips](#)

What monsters lurk beneath the waves? VZ Hydra 1911 grips are here to give you a monstrous grip on your gun for when the multi-headed beasts emerge from the darkness. The deep, undulating texture provides aggressive purchase without being overly sharp. The depth and size of the cuts are also great for showing off the patterns that appear in the layers of the G-10 material, especially in the Burl colors. Great for target practice, competition shooting, and even safe queens. Designed to fit all of the most popular full-size (Government or Commander) 1911 models from Colt®, Springfield Armory®, Kimber®, Les Baer®, Dan Wesson Firearms®, and many more. Cut for ambidextrous safeties Frame: Full Size 1911 Weight: 2.24oz - 63.6g (approximate) Material: G-10 Aggressiveness: 4 out of 5

# Safety Instruction Guide for VZ Hydra 1911 Grips

## Introduction

Thank you for choosing the VZ Hydra 1911 Grips. These grips are designed to enhance your control and comfort while using your 1911 firearm. It is important to read and understand this safety instruction guide to ensure safe usage and compliance with EU safety regulations.

## General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that your firearm is pointed in a safe direction at all times.
- Keep your fingers off the trigger until you are ready to shoot.
- Store your firearm securely and out of reach of children.
- Be aware of your surroundings and the target before shooting.
- Regularly inspect your firearm and grips for wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.

## Specific Safety Precautions for Use

- Ensure that the grips are properly installed before use.
- Do not use the grips if they show signs of damage or excessive wear.
- Avoid using the grips in extreme conditions (e.g., very high or low temperatures) that could affect grip performance.
- Be cautious when cleaning the grips; use appropriate cleaning materials to avoid damaging the G10 material.
- If you experience any discomfort while using the grips, discontinue use immediately and consult a professional.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure your firearm is unloaded before beginning the installation.
- Remove the existing grips from your 1911 firearm using the appropriate tools (typically a screwdriver).
- Align the VZ Hydra grips with the grip frame of the firearm.
- Secure the grips in place using the screws provided, ensuring they are tightened adequately but not overtightened to avoid cracking the grips.

### 2. Usage:

- Once installed, practice holding your firearm to become familiar with the grip texture and feel.
- Use the grips for target practice, competition shooting, or recreational shooting.
- Regularly check the grips for tightness and signs of wear during use.

## Disposal Instructions

- Dispose of any damaged grips in accordance with local waste disposal regulations.
- If the grips are beyond repair, consider recycling the G10 material if possible, as it is a durable synthetic material.

## Contact Information for Further Support

For any safety inquiries or support, please refer to the contact details provided by your retailer or manufacturer. Ensure that you have the product information ready when seeking assistance.

## Conclusion

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your VZ Hydra 1911 Grips. Always prioritize safety and remain informed about best practices in firearm handling and maintenance. Thank you for your attention to these important safety measures.
