Safety Instruction Guide for 1911 Government Alien Grips

Introduction

Thank you for choosing the 1911 Government Alien Grips by VZ Grips. This guide provides essential safety instructions to ensure the safe use, installation, and maintenance of your new grips. It is important to read and understand this guide to minimize risks and enhance your experience with the product.

General Safety Guidelines

- **Product Safety:** Ensure that the grips are compatible with your firearm model before installation. Improper installation may lead to accidents.
- **Enhanced Recalls:** Stay informed about any product recalls. Follow the instructions provided by the manufacturer in case of a recall notice.
- **Online Shopping:** When purchasing online, ensure that you are buying from a reputable seller that complies with safety regulations.
- **Special Consumer Focus:** Keep the grips out of reach of children and ensure that they are used only by individuals who are trained in firearm safety.
- **EU Contact Point:** For any safety inquiries, please refer to the manufacturer's contact details provided with your product.
- **Rapid Alerts:** Be aware of updates regarding product safety through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Compatibility:** Ensure that the grips are designed for your specific 1911 model (Government or Commander).
- **Installation:** Follow the installation instructions carefully to avoid improper fitting, which could lead to malfunctions.
- **Inspection:** Regularly inspect the grips for wear or damage. Replace them if any defects are found.
- **Handling:** Always handle your firearm safely. Ensure that it is unloaded when installing or inspecting the grips.
- **Storage:** Store your firearm in a secure location, ensuring that the grips are protected from moisture and extreme temperatures.

Instructions for Installation and Usage

1. **Gather Tools:** You will need a screwdriver compatible with the grip screws.
2. **Remove Old Grips:**
 - Ensure the firearm is unloaded.
 - Use the screwdriver to remove the screws holding the old grips in place.
3. **Install New Grips:**
 - Align the new grips with the frame of the firearm.
 - Secure the grips by tightening the screws evenly, ensuring that they are snug but not overtightened.
4. **Check Fit:** After installation, check that the grips are securely attached and do not shift when handling the firearm.
5. **Test Functionality:** Before using your firearm, ensure that all functions operate correctly with the new grips installed.

Disposal Instructions

- **Disposal of Old Grips:** If you are replacing old grips, dispose of them in accordance with local regulations. Many areas have specific guidelines for disposing of plastic materials.
- **Environmental Consideration:** Do not dispose of grips in a manner that could harm the environment. Consider recycling options if available.
