Safety Instruction Guide for AR15 Operator Grips

Introduction

Thank you for choosing the AR15 Operator Grips by VZ Grips. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your rifle grips. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the product is suitable for your firearm model before use.
- Always handle your firearm with care, following all safety protocols.
- Keep the grips and firearm out of reach of children and unauthorized users.
- Regularly inspect the grips for any signs of wear or damage.
- If you notice any defects or issues, discontinue use immediately and seek assistance.

Specific Safety Precautions for Use

- Only use the grips with compatible firearms (AR15).
- Ensure that all installation hardware is securely fastened before use.
- Avoid using excessive force when installing or adjusting the grips.
- Do not modify the grips in any way, as this may compromise safety.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Preparation

- Gather necessary tools: a screwdriver and any other required installation hardware.
- Ensure your firearm is unloaded and safely stored before beginning installation.

2. Installation Steps

- Remove the existing grips from your AR15.
- Align the VZ Operator Grips with the mounting holes on the firearm.
- Insert the stainless steel hardware included with the grips into the mounting holes.
- Tighten the screws securely, but do not overtighten, as this may damage the grips.

3. Usage Guidelines

- Familiarize yourself with the grip texture and feel before using your firearm.
- Maintain a proper grip during use to ensure control and accuracy.
- Regularly check the grips for tightness and wear during routine firearm inspections.

Disposal Instructions

- Dispose of the grips in accordance with local regulations.
- If the grips are damaged or no longer usable, consider recycling materials where possible.
- Do not dispose of the grips in regular household waste.
