# GO BOX AMMO BAG Safety Instructions

## Introduction

Thank you for choosing the GO BOX AMMO BAG by BLACKHAWK. This product is designed to provide a convenient and safe way to store and transport ammunition. Please read this safety instruction guide carefully to ensure proper use and compliance with safety regulations.

## General Safety Guidelines

- Always store ammunition in a safe and secure location.
- Keep the bag out of reach of children and vulnerable individuals.
- Regularly inspect the bag for any signs of wear or damage.
- Avoid using the bag for purposes other than its intended use.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Ensure the bag is closed securely before transporting.
- Do not overload the bag beyond its capacity.
- Keep the bag away from heat sources and direct sunlight.
- Do not expose the bag to moisture or extreme weather conditions.
- Use caution when handling ammunition to prevent accidental discharge.

## Instructions for Installation and Usage

### 1. Loading the Bag

- Open the bag and ensure it is clean and dry.
- Place loose ammunition or empty brass into the main compartment.
- Use the loop patch on the front to attach content identifiers as needed.
- Close the bag securely to prevent contents from spilling.

### 2. Transporting the Bag

- Carry the bag by its handles or shoulder strap.
- Ensure the bag is not overloaded to maintain balance and control.
- Avoid placing heavy objects on top of the bag during transport.

### 3. Storage Recommendations

- Store the bag in a cool, dry place when not in use.
- Avoid storing the bag in areas with high humidity or extreme temperatures.
- Keep the bag away from children and unauthorized users.

## Disposal Instructions

- Dispose of the bag in accordance with local regulations.
- If the bag is damaged beyond repair, consider recycling if the material allows.
- Do not dispose of the bag in regular household waste if it contains any hazardous materials.
