

STACHE IWB DISCREET CARRY COMPATIBILITY KIT - BLACKHAWK

STACHE IWB DISCREET CARRY CLIP COMPATIBILITY KIT

[Shooting Accessories](#) > [Holsters & Belt Gear](#) > [Holster Accessories](#)

Some people just like to tuck. Recognizing certain preferences in the EDC world, Blackhawk is committed to providing solutions. Although their provided belt clip is exceptional in every way, they understand that there are varying tastes in the market when it comes to belt clips. Given that, they thought ahead and developed a Discreet Carry Concepts Gear Clips™ compatibility kit. This kit offers the ability to mount Discreet Carry Concepts Mod 4 clips on the Stache™. This is achieved by utilizing the existing hole spacing of the Stache™ and hardware provided by this kit. This kit provides appropriate stand-off for the DCC clips to clear existing geometry of the holster and provide a straight line mounting interface to the belt. This provides end users the ability to continue to use their 1.75" belt, and/or the ability to carry with their shirt tucked in behind the DCC clips. Note, this kit does not come with Discreet Carry Concepts Gear Clips™ themselves, just the hardware needed to mount them to Blackhawk's Stache™ IWB.

Attributes

- Name: [BLACKHAWK STACHE IWB DISCREET CARRY CLIP COMPATIBILITY KIT](#)
- Manufacturer: [BLACKHAWK](#)
- Product no.: 100047306

Safety Instruction Guide for STACHE IWB Discreet Carry Compatibility Kit

Introduction

Thank you for choosing the STACHE IWB Discreet Carry Compatibility Kit by BLACKHAWK. This guide provides essential safety instructions and information to ensure the safe use of this product. Please read this guide carefully before using the kit.

General Safety Guidelines

- **Product Safety:** This product is designed for safe use in accordance with EU safety regulations. Ensure you follow all instructions provided.
- **Enhanced Recalls:** In the event of a safety issue, recall notices will be issued. Please stay informed about any updates regarding this product.
- **Online Shopping Safety:** When purchasing this product online, ensure that the seller complies with all safety requirements.
- **Special Consumer Focus:** This product is intended for adults and should not be used by children without proper supervision.
- **EU Contact Point:** For any safety inquiries, please refer to the relevant EU based contact point.
- **Rapid Alerts:** Stay updated on product safety and recalls through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always inspect the compatibility kit before use. Look for any signs of damage or wear.
- Ensure that all components are correctly installed and securely fastened before carrying.
- Do not exceed the recommended weight limit for the clips; refer to the manufacturer's specifications for details.
- Avoid using the kit with incompatible holsters or clips.
- Ensure that the kit is kept out of reach of children and pets.
- If you experience any issues during installation or use, discontinue use immediately and seek assistance.

Instructions for Installation and Usage

Installation Steps

1. **Gather Required Tools:** Ensure you have the necessary tools for installation, including a screwdriver.
2. **Prepare the Stache Holster:** Remove any existing clips from the Stache holster.
3. **Align the DCC Clips:** Position the Discreet Carry Concepts Mod 4 clips over the existing hole spacing on the Stache holster.
4. **Secure the Clips:** Using the hardware provided in the kit, attach the clips securely to the holster. Ensure that the clips are stably mounted.
5. **Check Alignment:** Confirm that the clips are aligned properly and do not interfere with the holster's geometry.
6. **Test the Setup:** Before carrying, test the setup to ensure that it operates smoothly and securely.

Usage Instructions

- When carrying with the STACHE IWB kit, ensure that your shirt is tucked in behind the DCC clips for a discreet appearance.
- Use a belt that is compatible with the clips (1.75" recommended).
- Regularly check the tightness of the clips and hardware to ensure they remain secure during use.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the product reaches the end of its life or is no longer needed, dispose of it in a manner that complies with local waste disposal regulations.
- For electronic components, please follow ewaste disposal guidelines.

Contact Information for Further Support

For any questions or concerns regarding the STACHE IWB Discreet Carry Compatibility Kit, please refer to the manufacturer's website or customer support for assistance.
