

# OMNIVORE MULTIFIT HOLSTER - STREAMLIGHT TLR 1 & 2 RIGHT HAND, BLACK/GREY

[Home](#)

## Super-Versatile, Accepts Over 150 Different Semi-Auto Pistols

The Blackhawk Omnivore is a versatile holster that will accept more than 150 different semi-auto handgun models with an accessory rail. Using an active retention mechanism, the Blackhawk Omnivore locks onto the included Rail Attachment Device and not the gun's frame, ensuring the pistol stays securely in place. Works with nearly any rail-equipped semi-automatic pistol Free float design elements holster wear on pistol Level 2 retention 3-position adjustable thumb release Available for pistols with or without weapon light An instinctive thumb release on the Blackhawk Omnivore holster disengages the locking mechanism from the Rail Attachment Device, allowing you to quickly draw the handgun.

# Safety Instruction Guide for OMNIVORE MULTIFIT HOLSTER STREAMLIGHT TLR 1 & 2 RIGHT HAND, BLACK/GREY

## Introduction

Thank you for choosing the Blackhawk Omnivore Multifit Holster. This versatile holster is designed for use with over 150 different semiauto handgun models equipped with an accessory rail. This guide provides essential safety instructions to ensure the safe and effective use of your holster.

## General Safety Guidelines

- Always ensure that the firearm is unloaded before inserting it into the holster.
- Avoid using the holster with firearms that do not have an accessory rail.
- Ensure that the holster is compatible with your specific handgun model.
- Regularly inspect the holster for wear and damage.
- Store the holster in a safe place, away from children and unauthorized users.
- Follow all local laws and regulations regarding firearm carry and storage.

## Specific Safety Precautions for Use

- Do not attempt to modify the holster or its components.
- Always engage the retention mechanism when the firearm is in the holster.
- Use the instinctive thumb release carefully to avoid accidental discharge.
- Ensure that your clothing and other items do not obstruct the holster or firearm.
- Be aware of your surroundings when drawing or reholstering your firearm.

## Instructions for Installation and Usage

### 1. Installation:

- Attach the Rail Attachment Device to the accessory rail of your firearm according to the manufacturer's instructions.
- Ensure that the attachment is secure and that the holster locks onto the Rail Attachment Device.

### 2. Using the Holster:

- To insert the firearm, ensure it is unloaded and pointed in a safe direction.
- Align the firearm with the holster and push it into place until you hear a click, indicating it is securely locked.
- To draw the firearm, use your thumb to press the release mechanism on the holster while simultaneously pulling the firearm upward.

### 3. Adjusting the Holster:

- The holster features a 3position adjustable thumb release. Adjust the release to your preferred setting for optimal access.

## Disposal Instructions

- Dispose of the holster in accordance with local regulations regarding plastic and polymer materials.
- Do not burn the holster, as it may release harmful fumes.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the manufacturer's website or contact their customer service department.

By following these guidelines, you can ensure the safe and effective use of your Blackhawk Omnivore Multifit Holster. Always prioritize safety and compliance with local laws when handling firearms.
