

OMNIVORE MULTIFIT HOLSTER - BLACKHAWK STREAMLIGHT TLR 1 & 2 RIGHT HAND, BLACK/TAN

[Home](#)

Super-Versatile, Accepts Over 150 Different Semi-Auto Pistols

The Blackhawk Omnivore is a versatile holster that will accept more than 150 different semi-auto handgun models with an accessory rail. Using an active retention mechanism, the Blackhawk Omnivore locks onto the included Rail Attachment Device and not the gun's frame, ensuring the pistol stays securely in place. Works with nearly any rail-equipped semi-automatic pistol Free float design elements holster wear on pistol Level 2 retention 3-position adjustable thumb release Available for pistols with or without weapon light An instinctive thumb release on the Blackhawk Omnivore holster disengages the locking mechanism from the Rail Attachment Device, allowing you to quickly draw the handgun.

OMNIVORE MULTIFIT HOLSTER BLACKHAWK STREAMLIGHT TLR 1 & 2 RIGHT HAND, BLACK/TAN Safety Instructions

Introduction

Thank you for choosing the Blackhawk Omnivore Multifit Holster. This versatile holster is designed to accommodate over 150 different semiautomatic handgun models equipped with an accessory rail. To ensure your safety and the safe use of this product, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that you are familiar with your handgun and its operation before using the holster.
- Always treat your firearm as if it is loaded.
- Store your holster and firearm in a secure location away from children and unauthorized users.
- Regularly inspect the holster for any signs of wear or damage. Do not use if damaged.
- Always follow local laws and regulations regarding firearm ownership and holstering.
- Be aware of your surroundings when handling your firearm.

Specific Safety Precautions for Use

- Use the holster only with semiautomatic pistols that have an accessory rail.
- Always engage the active retention mechanism when your handgun is in the holster.
- Ensure the thumb release is functioning properly before use.
- Do not attempt to modify or alter the holster in any way.
- Avoid exposing the holster to extreme temperatures or harsh chemicals.
- If you experience difficulty in drawing your handgun, cease use and consult the user manual for troubleshooting.

Instructions for Installation and Usage

1. Installation of the Holster:

- Ensure the holster is compatible with your handgun model.
- Attach the Rail Attachment Device securely to the accessory rail of your handgun.
- Confirm that the holster is properly locked onto the Rail Attachment Device.

2. Using the Holster:

- To insert the handgun, align the firearm with the holster and push it into place until you hear a click.
- To draw the handgun, use your thumb to disengage the active retention mechanism. This will release the locking mechanism from the Rail Attachment Device.
- Practice drawing your handgun in a safe environment to ensure you are comfortable with the mechanism.

3. Maintenance:

- Clean the holster regularly with a damp cloth to remove dirt and debris.
- Store the holster in a cool, dry place when not in use.

Disposal Instructions

- When the holster has reached the end of its life cycle or is no longer usable, dispose of it responsibly.
- Check local regulations for proper disposal methods of polymer materials.
- Do not dispose of the holster in a manner that could pose a safety hazard to others.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of the Blackhawk Omnivore Multifit Holster, please contact the manufacturer directly. Ensure you have the product details available for reference.

Thank you for prioritizing safety while using the Blackhawk Omnivore Multifit Holster. Your adherence to these guidelines is essential for safe handling and storage of your firearm.
