# Safety Instruction Guide for the Blackhawk Omnivore Multifit Holster Surefire X300A Right Hand, Black/Grey

## Introduction

Thank you for choosing the Blackhawk Omnivore Multifit Holster. This holster is designed to provide secure and versatile carry options for your semiautomatic handgun with an accessory rail. Please read this safety instruction guide thoroughly to ensure safe and effective use of the product.

## General Safety Guidelines

- Always ensure the holster is compatible with your specific handgun model.
- Inspect the holster before each use for any signs of damage or wear.
- Keep the holster and firearm away from children and unauthorized users.
- Always treat your firearm as if it is loaded, even when it is not.
- Do not modify the holster in any way that may compromise its safety features.
- If you experience any issues with the holster, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- Ensure the firearm is unloaded before inserting it into the holster.
- Use the thumb release mechanism correctly to avoid accidental discharges.
- Do not attempt to draw the firearm while sitting, bending, or in any awkward position that may compromise your grip or control.
- Be aware of your surroundings and ensure a clear path when drawing your firearm.
- Avoid placing the holster in locations where it may be exposed to extreme temperatures or moisture.
- Always secure the holster properly to your belt or waistband to prevent accidental drops.

## Instructions for Installation and Usage

### 1. Installation:

- Select a suitable belt or waistband that can securely hold the holster.
- Slide the holster onto the belt or waistband, ensuring it is positioned for easy access.
- Adjust the angle and position of the holster for comfort and accessibility.

### 2. Using the Holster:

- Ensure the firearm is unloaded before securing it in the holster.
- Align the firearm with the holster, ensuring the accessory rail fits into the Rail Attachment Device.
- Press the firearm into the holster until you hear a click, indicating it is securely locked in place.
- To draw the firearm, use your thumb to disengage the locking mechanism, allowing for a quick and instinctive draw.
- Always practice drawing your firearm in a safe environment to become familiar with the holster's operation.

## Disposal Instructions

- Dispose of the holster in accordance with your local regulations.
- If the holster is damaged or no longer usable, ensure it is not accessible to children or unauthorized users.

- Consider recycling the polymer material if possible, following local recycling guidelines.
