

# **STACHE IWB LOWER BACK HOLSTER PREMIUM MODEL - BLACKHAWK S&W M&P SHIELD 9/40 W/LASERGAURD PRO HOLSTER, BLACK**

[Home](#)

Introducing the most technologically advanced, modular concealed carry holster system that was designed never to be seen, the Stache™ IWB. Designed by concealed carriers for concealed carriers, the Stache™ IWB holster system is the ultimate solution for everyday carry, out-performing the design and material limitations of Kydex®. Through meticulous engineering, the Stache™ holster delivers the optimal combination of comfort, rigidity and modularity; a feat not possible with Kydex®. It is designed to be worn inside-the-waistband, is constructed of impact reinforced, injection molded polymer and is compatible with a variety of Stache™ IWB holster accessories. Available in Base and Premium configurations. Premium configuration includes adjustable concealment claw to reduce printing, adjustable inside-the-waistband magazine carrier with belt clip, and an accessory attachment wing for joining holster and mag carrier into platform. # STACHE IWB Lower Back Holster Safety Instructions

## Introduction

Thank you for choosing the STACHE IWB Lower Back Holster Premium Model. This guide provides essential safety instructions to ensure the safe and effective use of your holster. Please read this document carefully before use.

## General Safety Guidelines

- Ensure the holster is compatible with your firearm model, specifically the Smith & Wesson M&P Shield 9/40 with LaserGuard Pro.
- Always handle your firearm safely and responsibly, following all local laws and regulations.
- Regularly inspect the holster for wear and tear. Do not use if damaged.
- Keep the holster out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded when inserting it into or removing it from the holster.
- Avoid exposing the holster to extreme temperatures, moisture, or chemicals that may compromise its integrity.
- When using the adjustable concealment claw, ensure it is securely fastened to avoid unintentional adjustments during use.
- Be mindful of your surroundings when drawing or reholstering your firearm to prevent accidental discharge.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the holster is clean and free from debris.
- Attach the adjustable concealment claw to the holster if desired, following the manufacturer's instructions for secure attachment.
- Adjust the insidethewaistband magazine carrier with the belt clip to your preferred position for comfort and accessibility.
- Verify that all components are securely fastened before use.

### 2. Usage:

- To wear the holster, position it inside your waistband at the desired location on your lower back.
- Insert your unloaded firearm into the holster, ensuring it fits snugly and securely.
- Adjust the holster position as necessary for comfort and concealment.
- When drawing your firearm, do so with a firm grip, ensuring your finger remains off the trigger until you are ready to fire.

## Disposal Instructions

- Dispose of the holster in accordance with local waste disposal regulations.
- If the holster is damaged beyond use, consider recycling the materials if applicable.
- Do not incinerate the holster as it may release harmful substances.

## **Contact Information for Further Support**

For any inquiries regarding the safe use of your STACHE IWB Lower Back Holster, please refer to the manufacturer's website or customer service resources for assistance.

Thank you for choosing the STACHE IWB Lower Back Holster. Your safety is our priority.
