

# STACHE IWB LOWER BACK HOLSTER PREMIUM MODEL - BLACKHAWK GLOCK® 43X/48 W/SUREFIRE XSC HOLSTER, BLACK

[Home](#)

Introducing the most technologically advanced, modular concealed carry holster system that was designed never to be seen, the Stache™ IWB. Designed by concealed carriers for concealed carriers, the Stache™ IWB holster system is the ultimate solution for everyday carry, out-performing the design and material limitations of Kydex®. Through meticulous engineering, the Stache™ holster delivers the optimal combination of comfort, rigidity and modularity; a feat not possible with Kydex®. It is designed to be worn inside-the-waistband, is constructed of impact reinforced, injection molded polymer and is compatible with a variety of Stache™ IWB holster accessories. Available in Base and Premium configurations. Premium configuration includes adjustable concealment claw to reduce printing, adjustable inside-the-waistband magazine carrier with belt clip, and an accessory attachment wing for joining holster and mag carrier into platform. # **Safety Instruction Guide for STACHE IWB Lower Back Holster Premium Model BLACKHAWK GLOCK® 43X/48 W/SUREFIRE XSC Holster, Black**

## **Introduction**

Thank you for choosing the STACHE IWB Lower Back Holster Premium Model. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your holster. Please read this manual thoroughly before using the product.

## **General Safety Guidelines**

- Ensure that the holster is compatible with your firearm model (GLOCK® 43X/48).
- Always treat your firearm as if it is loaded.
- Keep the holster away from children and unauthorized users.
- Inspect the holster for any signs of wear or damage before each use.
- Do not modify the holster in any way, as this may compromise safety.
- Use the holster only for its intended purpose: concealed carry of your firearm.
- Be aware of your surroundings and ensure safe handling practices at all times.

## **Specific Safety Precautions for Use**

- Always ensure the firearm is unloaded before inserting it into the holster.
- Check that the adjustable concealment claw is securely attached to minimize printing.
- When using the insidethewaistband magazine carrier, ensure that it is properly secured to your belt.
- Avoid carrying the holster in a manner that may cause it to become dislodged.
- Do not place any objects in the holster other than the intended firearm.
- If you experience any discomfort while wearing the holster, remove it immediately and assess the fit.

## **Instructions for Installation and Usage**

### **• Installation:**

1. Ensure that the firearm is unloaded and safe for handling.
2. Attach the adjustable concealment claw to the holster if not already attached.
3. Adjust the claw to your desired angle for optimal concealment.
4. Secure the insidethewaistband magazine carrier to your belt using the belt clip.

### **• Usage:**

1. Slide the holster inside your waistband, positioning it at your lower back for comfort.
2. Ensure the firearm is seated securely in the holster.
3. Adjust the holster as necessary for comfort and accessibility.
4. Regularly check that the holster remains securely in place during movement.

## **Disposal Instructions**

- Dispose of the holster in accordance with local regulations.
- If the holster is damaged or no longer in use, consider recycling the polymer material where facilities are available.
- Do not dispose of the holster in regular household waste if it can be recycled.

## **Contact Information for Further Support**

For questions or concerns regarding the safety and use of your STACHE IWB Lower Back Holster, please reach out to the manufacturer or authorized dealers for assistance. Additionally, you may check the EU's Safety Gate platform for updates on product recalls or safety alerts.

Thank you for prioritizing safety while using your STACHE IWB Lower Back Holster. Your attention to these guidelines will help ensure a safe and responsible carrying experience.
