

STACHE IWB LOWER BACK HOLSTER PREMIUM MODEL - BLACKHAWK GLOCK® 19 W/STREAMLIGHT TLR 7/8 HOLSTER, BLACK

[Home](#)

Introducing the most technologically advanced, modular concealed carry holster system that was designed never to be seen, the Stache™ IWB. Designed by concealed carriers for concealed carriers, the Stache™ IWB holster system is the ultimate solution for everyday carry, out-performing the design and material limitations of Kydex®. Through meticulous engineering, the Stache™ holster delivers the optimal combination of comfort, rigidity and modularity; a feat not possible with Kydex®. It is designed to be worn inside-the-waistband, is constructed of impact reinforced, injection molded polymer and is compatible with a variety of Stache™ IWB holster accessories. Available in Base and Premium configurations. Premium configuration includes adjustable concealment claw to reduce printing, adjustable inside-the-waistband magazine carrier with belt clip, and an accessory attachment wing for joining holster and mag carrier into platform. Safety Instruction Guide for STACHE IWB LOWER BACK HOLSTER PREMIUM MODEL BLACKHAWK GLOCK® 19 W/STREAMLIGHT TLR 7/8 HOLSTER, BLACK

Introduction

Thank you for choosing the STACHE IWB Lower Back Holster Premium Model. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your holster. Please read and follow all instructions carefully to maximize safety and performance.

General Safety Guidelines

- Ensure that the holster is compatible with your firearm model (Glock® 19, 23, 32, 45) and accessories.
- Always handle firearms with care, following all safety protocols and regulations.
- Keep the holster and firearm out of reach of children and unauthorized users.
- Regularly inspect the holster for wear and tear. Replace if any damage is evident.
- Be aware of your surroundings and use the holster responsibly in public spaces.

Specific Safety Precautions for Use

- Use the holster only for its intended purpose: to carry your Glock® firearm securely and discreetly.
- Always ensure that your firearm is unloaded before inserting it into the holster.
- Adjust the concealment claw as necessary to minimize printing (visibility of the firearm).
- Ensure that the magazine carrier is securely attached before use.
- Avoid exposing the holster to extreme temperatures or harsh chemicals that may damage the material.
- If you experience any discomfort while wearing the holster, adjust its position or remove it.

Instructions for Installation and Usage

1. Installation of the Holster:

- Choose a comfortable position for the holster on your waistband.
- Slide the holster into the waistband, ensuring it is positioned securely.
- Adjust the retention as needed to ensure a snug fit for your firearm.

2. Using the Holster:

- Before inserting your firearm, ensure it is unloaded.
- Insert the firearm into the holster with the muzzle facing down.
- Adjust the holster's position for comfort and accessibility.
- Use the adjustable concealment claw to reduce printing as needed.
- Attach the magazine carrier to your belt using the included clip.

3. Removal of the Holster:

- To remove the holster, unclip it from your waistband.
- Ensure that the firearm is removed from the holster before storing it.

Disposal Instructions

- Dispose of the holster in accordance with local regulations.
- If the holster is damaged or no longer usable, consider recycling the materials if possible.
- Do not dispose of the holster in regular household waste if it contains any hazardous materials.

Contact Information for Further Support

For any inquiries regarding the safety, usage, or maintenance of your STACHE IWB Lower Back Holster, please refer to the manufacturer's website or contact their customer support for assistance.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective experience with your STACHE IWB Lower Back Holster. Thank you for prioritizing safety and responsible firearm ownership.
