

STACHE IWB LOWER BACK HOLSTER PREMIUM MODEL - BLACKHAWK GLOCK® 17 W/SUREFIRE X300 HOLSTER, BLACK

[Home](#)

Introducing the most technologically advanced, modular concealed carry holster system that was designed never to be seen, the Stache™ IWB. Designed by concealed carriers for concealed carriers, the Stache™ IWB holster system is the ultimate solution for everyday carry, out-performing the design and material limitations of Kydex®. Through meticulous engineering, the Stache™ holster delivers the optimal combination of comfort, rigidity and modularity; a feat not possible with Kydex®. It is designed to be worn inside-the-waistband, is constructed of impact reinforced, injection molded polymer and is compatible with a variety of Stache™ IWB holster accessories. Available in Base and Premium configurations. Premium configuration includes adjustable concealment claw to reduce printing, adjustable inside-the-waistband magazine carrier with belt clip, and an accessory attachment wing for joining holster and mag carrier into platform. Safety Instruction Guide for STACHE IWB Lower Back Holster Premium Model BLACKHAWK Glock® 17 w/Surefire X300 Holster, Black

Introduction

Thank you for choosing the STACHE IWB Lower Back Holster Premium Model. This guide provides essential safety instructions and information to ensure the safe use of your holster. It is designed to help you understand the product, its features, and how to use it properly while complying with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always ensure that your firearm is unloaded before placing it in the holster.
- Regularly inspect the holster for any signs of wear or damage.
- Keep the holster away from moisture and extreme temperatures to maintain its integrity.
- Store the holster in a secure location, out of reach of children and unauthorized users.
- Always follow local laws and regulations regarding concealed carry and firearm safety.

Specific Safety Precautions for Use

- Ensure the holster is securely attached to your waistband before use.
- Adjust the concealment claw to minimize printing and ensure optimal concealment.
- When drawing your firearm, maintain proper trigger discipline and be aware of your surroundings.
- Avoid wearing loose clothing that may interfere with the holster's performance.
- If using the magazine carrier, ensure that it is properly secured and does not impede your movement.

Instructions for Installation and Usage

1. Installation of the Holster:

- Choose a comfortable position on your waistband for the holster.
- Slide the holster into position, ensuring it is securely fastened.
- Adjust the retention as needed to ensure a snug fit for your firearm.

2. Attaching the Adjustable Concealment Claw:

- Locate the adjustable concealment claw accessory.
- Attach the claw to the designated points on the holster.
- Adjust the angle of the claw for optimal concealment based on your body type and clothing.

3. Using the Inside the Waistband Magazine Carrier:

- Attach the magazine carrier to your waistband using the included belt clip.
- Ensure that the magazine is securely held in place and easily accessible.
- Test the fit of the magazine carrier and make adjustments as necessary.

4. Drawing and Reholstering:

- To draw your firearm, ensure your grip is secure and your finger is off the trigger until ready to fire.
- Reholstering should be done with caution; ensure the holster is clear of obstructions before reholstering your firearm.

Disposal Instructions

- When disposing of the holster, ensure it is done in an environmentally friendly manner.
- Check local regulations for proper disposal methods for plastic products.
- If the holster is damaged beyond use, consider recycling the materials if possible.

Contact Information for Further Support

For any questions or concerns regarding the STACHE IWB Lower Back Holster, please refer to the manufacturer's website or contact their customer service for assistance.

Important Note

In case of any safety incidents or if you encounter an unsafe product, report it to the relevant authorities. Keep yourself informed about any recalls or safety updates through the EU's Safety Gate platform.

By following these safety instructions, you can ensure a safe and effective experience with your STACHE IWB Lower Back Holster. Thank you for prioritizing safety in your concealed carry practices.
