

# STACHE IWB LOWER BACK HOLSTER PREMIUM MODEL - BLACKHAWK SIG P365 HOLSTER, BLACK

[Home](#)

Introducing the most technologically advanced, modular concealed carry holster system that was designed never to be seen, the Stache™ IWB. Designed by concealed carriers for concealed carriers, the Stache™ IWB holster system is the ultimate solution for everyday carry, out-performing the design and material limitations of Kydex®. Through meticulous engineering, the Stache™ holster delivers the optimal combination of comfort, rigidity and modularity; a feat not possible with Kydex®. It is designed to be worn inside-the-waistband, is constructed of impact reinforced, injection molded polymer and is compatible with a variety of Stache™ IWB holster accessories. Available in Base and Premium configurations. Premium configuration includes adjustable concealment claw to reduce printing, adjustable inside-the-waistband magazine carrier with belt clip, and an accessory attachment wing for joining holster and mag carrier into platform. # **Safety Instruction Guide for STACHE IWB Lower Back Holster Premium Model BLACKHAWK SIG P365 Holster, Black**

## **Introduction**

Thank you for choosing the STACHE IWB Lower Back Holster Premium Model. This guide provides essential safety instructions to ensure the safe and effective use of your holster. Please read this guide carefully before using the product.

## **General Safety Guidelines**

- Always ensure that the firearm is unloaded before inserting it into the holster.
- Do not use the holster if it is damaged or shows signs of wear.
- Keep the holster out of reach of children and unauthorized users.
- Regularly inspect the holster for any signs of damage or wear.
- Follow all local laws and regulations regarding concealed carry and holster use.
- Ensure that the holster is worn correctly to avoid accidents or injury.

## **Specific Safety Precautions for Use**

- When drawing the firearm from the holster, ensure that your finger is off the trigger until you are ready to shoot.
- Avoid pointing the firearm at yourself or others while drawing or reholstering.
- Use the adjustable concealment claw to minimize printing and ensure a secure fit against your body.
- Ensure that the magazine carrier is securely attached and does not interfere with the holster's operation.
- If using any accessories with the holster, ensure they are compatible and securely attached.

## **Instructions for Installation and Usage**

### **1. Installation of the Holster:**

- Choose a comfortable position on your waistband for the holster.
- Slide the holster into position, ensuring that it is securely fastened against your body.
- Adjust the retention as needed for a secure fit.

### **2. Using the Holster:**

- Ensure the firearm is unloaded before holstering.
- Insert the firearm into the holster, ensuring it is fully seated.
- Adjust the belt clip or magazine carrier as necessary for comfort and accessibility.

### **3. Adjusting the Holster:**

- Use the adjustable concealment claw to reduce printing by angling the grip closer to your body.
- Adjust the magazine carrier for optimal access while maintaining comfort.

### **4. Removing the Holster:**

- Carefully remove the holster from your waistband by detaching the belt clip.
- Ensure the firearm is unloaded before removing it from the holster.

## **Disposal Instructions**

- When disposing of the holster, ensure it is done in accordance with local regulations.
- If the holster is damaged beyond use, consider recycling the materials where applicable.
- Dispose of any accessories in accordance with local waste management guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the STACHE IWB Lower Back Holster, please refer to the manufacturer's contact information provided with your product packaging or visit the official website for additional resources and support.

Thank you for following these safety guidelines. Your safety and the safety of others is our top priority.
