

# STACHE IWB LOWER BACK HOLSTER PREMIUM MODEL - BLACKHAWK S&W M&P SHIELD 9/40 HOLSTER, BLACK

[Home](#)

Introducing the most technologically advanced, modular concealed carry holster system that was designed never to be seen, the Stache™ IWB. Designed by concealed carriers for concealed carriers, the Stache™ IWB holster system is the ultimate solution for everyday carry, out-performing the design and material limitations of Kydex®. Through meticulous engineering, the Stache™ holster delivers the optimal combination of comfort, rigidity and modularity; a feat not possible with Kydex®. It is designed to be worn inside-the-waistband, is constructed of impact reinforced, injection molded polymer and is compatible with a variety of Stache™ IWB holster accessories. Available in Base and Premium configurations. Premium configuration includes adjustable concealment claw to reduce printing, adjustable inside-the-waistband magazine carrier with belt clip, and an accessory attachment wing for joining holster and mag carrier into platform. # Safety Instruction Guide for STACHE IWB LOWER BACK HOLSTER PREMIUM MODEL

## Introduction

Thank you for choosing the STACHE IWB Lower Back Holster Premium Model. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your holster. Please read and understand this information before using the product.

## General Safety Guidelines

- Ensure that the holster is compatible with your firearm model (Smith & Wesson M&P Shield 9/40).
- Always check that your firearm is unloaded before placing it in the holster.
- Keep the holster away from children and unauthorized users.
- Regularly inspect the holster for wear and tear, and replace it if any damage is detected.
- Store your holster in a secure location when not in use.

## Specific Safety Precautions for Use

- Always wear the holster in accordance with the manufacturer's instructions.
- Adjust the concealment claw properly to minimize printing, ensuring it does not interfere with the draw.
- Ensure that the magazine carrier is securely attached and that magazines are properly seated.
- Do not modify the holster or its components, as this may compromise safety.
- Be mindful of your surroundings while carrying to avoid accidental exposure of your firearm.

## Instructions for Installation and Usage

### 1. Installation of the Holster:

- Select a comfortable position on your waistband for the holster.
- Slide the holster into position, ensuring it is securely fastened.
- Adjust the retention settings as needed for a secure fit.

### 2. Adjusting the Concealment Claw:

- Locate the adjustable concealment claw on the holster.
- Use the provided tools to modify the angle and position of the claw.
- Test the adjustment to ensure it effectively reduces printing.

### 3. Using the Magazine Carrier:

- Attach the magazine carrier to your belt using the clip provided.
- Ensure that the magazine is properly seated in the carrier.
- Check the carrier's retention to ensure the magazine will not fall out during movement.

### 4. Drawing the Firearm:

- Practice drawing your firearm from the holster in a safe environment.
- Maintain a firm grip on your firearm while drawing to prevent accidental discharge.
- Always point the firearm in a safe direction when drawing or reholstering.

## **Disposal Instructions**

- Dispose of the holster in accordance with local regulations.
- If the holster is damaged or worn beyond safe use, do not attempt to repair it; instead, dispose of it responsibly.

## **Contact Information for Further Support**

For safety inquiries or concerns regarding your STACHE IWB Lower Back Holster, please contact the manufacturer or retailer from whom you purchased the product. They will provide guidance and support regarding safety measures and product usage.

## **Conclusion**

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your STACHE IWB Lower Back Holster. Always prioritize safety and remain informed about best practices for concealed carry. Thank you for your attention to these important safety measures.
