STACHE IWB Lower Back Holster Safety Instructions

Introduction

Thank you for choosing the STACHE IWB Lower Back Holster Base Kit. This guide provides important safety instructions to ensure the safe use of your holster. Please read this document carefully before using the product to understand how to handle it properly and avoid any potential hazards.

General Safety Guidelines

- Ensure that the holster is compatible with your firearm before use.
- Always treat your firearm as if it is loaded, even if you believe it is not.
- Keep the holster out of reach of children and unauthorized users.
- Regularly inspect the holster for any signs of wear or damage before each use.
- Do not expose the holster to extreme temperatures or harsh chemicals.
- Follow local laws and regulations regarding concealed carry.

Specific Safety Precautions for Use

- Always ensure your firearm is unloaded when inserting or removing it from the holster.
- Use the holster only for its intended purpose; do not modify or alter it.
- When drawing your firearm from the holster, ensure that the muzzle is pointed in a safe direction.
- Avoid using the holster with firearms that have attachments not designed for it.
- If you experience any discomfort while wearing the holster, adjust its position or remove it immediately.

Instructions for Installation and Usage

1. Installation:

- Ensure that the holster is clean and free of debris.
- Place the holster inside your waistband, positioning it at the desired location on your lower back.
- Adjust the retention settings according to your preference, ensuring a secure fit for your firearm.

2. Usage:

- When wearing the holster, ensure that your clothing does not interfere with the draw of your firearm.
- Practice drawing your firearm in a safe environment to become familiar with the holster's operation.
- Always keep your finger off the trigger until you are ready to shoot.

Disposal Instructions

- Dispose of the holster according to local regulations for plastic products.
- If the holster is damaged beyond repair, consider recycling the materials if possible.
- Do not dispose of the holster in a manner that could pose a risk to others.
