

STACHE IWB LOWER BACK HOLSTER BASE KIT - BLACKHAWK

STACHE IWB LB HOLSTER GLOCK 48 & M&P EZ9 BLACK

[Home](#)

Introducing the most technologically advanced, modular concealed carry holster system that was designed never to be seen, the Stache™ IWB. Designed by concealed carriers for concealed carriers, the Stache™ IWB holster system is the ultimate solution for everyday carry, out-performing the design and material limitations of Kydex®. Through meticulous engineering, the Stache™ holster delivers the optimal combination of comfort, rigidity and modularity; a feat not possible with Kydex®. It is designed to be worn inside-the-waistband, is constructed of impact reinforced, injection molded polymer and is compatible with a variety of Stache™ IWB holster accessories (accessories list below). Available in Base and Premium configurations.

STACHE IWB Lower Back Holster Safety Instruction Guide

Introduction

Thank you for choosing the STACHE IWB Lower Back Holster Base Kit. This guide provides essential safety instructions to ensure the safe use of your holster. Please read this manual carefully before using the product.

General Safety Guidelines

- Always ensure that your firearm is unloaded before placing it in the holster.
- Inspect the holster regularly for any signs of wear or damage.
- Keep the holster and accessories out of reach of children and unauthorized users.
- Do not expose the holster to extreme temperatures or harsh chemicals.
- Be aware of your surroundings when drawing or reholstering your firearm.
- Always follow local laws and regulations regarding concealed carry.

Specific Safety Precautions for Use

- Ensure that the holster is properly secured to your waistband before use.
- Avoid using the holster if you are wearing loose clothing that may interfere with the proper retention of the firearm.
- Do not attempt to modify the holster or its components.
- When drawing your firearm, maintain a proper grip and keep your finger off the trigger until you are ready to shoot.
- Always point the firearm in a safe direction when drawing or holstering.

Instructions for Installation and Usage

1. Installation of the Holster

- Select a suitable position on your waistband for the holster.
- Open the holster and insert your firearm to ensure a proper fit.
- Adjust the retention settings as needed to secure the firearm in place.
- Attach the holster to your waistband, ensuring it is firmly in place.

2. Usage of the Holster

- When ready to draw your firearm, ensure that your clothing does not obstruct the holster.
- Grip the firearm firmly and draw it straight out of the holster.
- After use, carefully reholster the firearm by guiding it back into the holster without using excessive force.

Disposal Instructions

- Dispose of the holster and its components in accordance with local regulations.
- If the holster is damaged or no longer usable, please ensure it is disposed of in a manner that prevents unauthorized use.

Contact Information for Further Support

For any inquiries or concerns regarding the STACHE IWB Lower Back Holster, please reach out to the

manufacturer or visit their official website for assistance. Always ensure you have the latest information and updates regarding your product.

Thank you for your attention to these safety guidelines. Your safety and the safety of others is our top priority.
