

STACHE IWB LOWER BACK HOLSTER BASE KIT - BLACKHAWK

STACHE IWB LB HOLSTER S&W M&P SHIELD 9/40 BLACK

[Home](#)

Introducing the most technologically advanced, modular concealed carry holster system that was designed never to be seen, the Stache™ IWB. Designed by concealed carriers for concealed carriers, the Stache™ IWB holster system is the ultimate solution for everyday carry, out-performing the design and material limitations of Kydex®. Through meticulous engineering, the Stache™ holster delivers the optimal combination of comfort, rigidity and modularity; a feat not possible with Kydex®. It is designed to be worn inside-the-waistband, is constructed of impact reinforced, injection molded polymer and is compatible with a variety of Stache™ IWB holster accessories (accessories list below). Available in Base and Premium configurations.

STACHE IWB Lower Back Holster Safety Instructions

Introduction

Thank you for choosing the STACHE IWB Lower Back Holster. This guide provides essential safety instructions and guidelines to ensure the safe use of your holster. Please read this document carefully before using the product.

General Safety Guidelines

- Ensure that the holster is suitable for your firearm model (Smith & Wesson M&P Shield 9/40).
- Always treat your firearm as if it is loaded.
- Keep the holster and firearm out of reach of children and unauthorized users.
- Inspect the holster regularly for signs of wear or damage.
- Do not use the holster if it is damaged or shows signs of wear.
- Follow all local laws and regulations regarding concealed carry and firearm use.

Specific Safety Precautions for Use

- Ensure the holster is securely fastened to your waistband before use.
- Avoid excessive movement that may cause the holster to shift or come loose.
- When drawing your firearm from the holster, do so with caution to prevent accidental discharge.
- Always point the firearm in a safe direction when drawing or reholstering.
- Do not overload the holster with accessories that may affect its stability.
- Be aware of your surroundings when carrying a concealed firearm.

Instructions for Installation and Usage

1. Installation:

- Choose a comfortable and accessible location on your waistband to position the holster.
- Slide the holster clip over the waistband, ensuring it is secure.
- Adjust the holster's position for optimal comfort and accessibility.

2. Usage:

- To insert your firearm, ensure it is unloaded and pointed in a safe direction.
- Gently slide the firearm into the holster until it is fully seated.
- To draw the firearm, use your dominant hand to grasp the grip while simultaneously releasing any retention mechanisms.
- Always practice drawing your firearm in a safe environment to ensure proficiency.

Disposal Instructions

- Dispose of the holster responsibly when it is no longer in use.
- Do not throw the holster in regular household waste.
- Check local regulations for proper disposal methods for plastic and polymer products.

Contact Information for Further Support

For any questions or concerns regarding the STACHE IWB Lower Back Holster, please refer to the manufacturer's

website or customer service for assistance. Ensure you have the product details available for a more efficient inquiry.

Stay safe and responsible while using your STACHE IWB Lower Back Holster.
