

## **STACHE IWB LOWER BACK HOLSTER BASE KIT - BLACKHAWK**

## **STACHE IWB LB HOLSTER S&W M&P 9/40 BLACK**

[Home](#)

Introducing the most technologically advanced, modular concealed carry holster system that was designed never to be seen, the Stache™ IWB.

Designed by concealed carriers for concealed carriers, the Stache™ IWB holster system is the ultimate solution for everyday carry, out-performing the design and material limitations of Kydex®. Through meticulous engineering, the Stache™ holster delivers the optimal combination of comfort, rigidity and modularity; a feat not possible with Kydex®. It is designed to be worn inside-the-waistband, is constructed of impact reinforced, injection molded polymer and is compatible with a variety of Stache™ IWB holster accessories (accessories list below). Available in Base and Premium configurations.

# STACHE IWB Lower Back Holster Safety Instructions

## Introduction

Thank you for choosing the STACHE IWB Lower Back Holster Base Kit. This product is designed for concealed carry, providing optimal comfort and modularity. To ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR), please read and follow these safety instructions carefully.

## General Safety Guidelines

- Ensure the holster is compatible with your firearm model. This holster is designed for the Smith & Wesson M&P 9/40.
- Always store your holster and firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect your holster for any signs of wear or damage. Do not use a damaged holster.
- Familiarize yourself with local laws and regulations regarding concealed carry and holster usage.
- When not in use, ensure the firearm is unloaded and safely stored.

## Specific Safety Precautions for Use

- Always ensure the firearm is pointed in a safe direction when drawing or reholstering.
- Avoid placing your hand in the holster while the firearm is present.
- Use caution when adjusting the holster on your person to prevent accidental discharge.
- Be mindful of your surroundings and ensure that the holster does not get caught on clothing or other objects.
- Consider using a trigger lock for additional safety when carrying.

## Instructions for Installation and Usage

### 1. Installation:

- Choose a location on your waistband that feels comfortable and secure.
- Slide the holster inside your waistband, ensuring it is positioned for easy access and comfort.
- Adjust the holster's angle if necessary to fit your drawing preference.
- Ensure the holster is securely in place before carrying your firearm.

### 2. Usage:

- When drawing your firearm, use a smooth and controlled motion.
- Keep your finger off the trigger until you are ready to fire.
- After use, reholster your firearm carefully, ensuring it is securely placed in the holster.
- Regularly practice drawing and reholstering in a safe environment to become familiar with the holster's functionality.

## Disposal Instructions

- Dispose of the holster in accordance with local regulations for plastic and polymer products.
- Do not dispose of the holster in fire, as it may release harmful fumes.
- If the holster is damaged or no longer in use, ensure it is disposed of in a way that prevents unauthorized access.

## **Contact Information for Further Support**

For any safety inquiries or further assistance, please contact the manufacturer or a qualified professional. Ensure that you have the product details available for reference.

Thank you for prioritizing safety while using the STACHE IWB Lower Back Holster. Your responsible usage contributes to a safer environment for everyone.
