

STACHE IWB LOWER BACK HOLSTER BASE KIT - BLACKHAWK

STACHE IWB LB HOLSTER GLOCK 17/22/31 BLACK

[Home](#)

Introducing the most technologically advanced, modular concealed carry holster system that was designed never to be seen, the Stache™ IWB. Designed by concealed carriers for concealed carriers, the Stache™ IWB holster system is the ultimate solution for everyday carry, out-performing the design and material limitations of Kydex®. Through meticulous engineering, the Stache™ holster delivers the optimal combination of comfort, rigidity and modularity; a feat not possible with Kydex®. It is designed to be worn inside-the-waistband, is constructed of impact reinforced, injection molded polymer and is compatible with a variety of Stache™ IWB holster accessories (accessories list below). Available in Base and Premium configurations.

Safety Instruction Guide for STACHE IWB Lower Back Holster Base Kit

Introduction

Thank you for choosing the STACHE IWB Lower Back Holster Base Kit by BLACKHAWK. This guide provides essential safety information and instructions for the proper use of your holster. Please read this guide carefully to ensure safe handling and optimal performance of your product.

General Safety Guidelines

- Ensure that the holster is compatible with your firearm model (Glock 17, 22, or 31) before use.
- Always treat your firearm as if it is loaded, regardless of whether it is in the holster.
- Keep the holster and firearm out of reach of children and unauthorized users.
- Regularly inspect the holster for signs of wear or damage. Do not use if damaged.
- Avoid exposing the holster to extreme temperatures, moisture, or corrosive substances.
- Follow all local laws and regulations regarding concealed carry and firearm safety.

Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before inserting it into the holster.
- When drawing your firearm from the holster, maintain a proper grip and aim in a safe direction.
- Do not attempt to adjust or modify the holster while it is being worn.
- Ensure that the holster is securely fastened to your waistband to prevent accidental dislodging.
- Be aware of your surroundings and avoid situations where your firearm may be exposed unintentionally.

Instructions for Installation and Usage

Installation

1. **Select Location:** Choose a comfortable location on your waistband for holster placement. Ensure it allows for easy access while remaining concealed.
2. **Secure the Holster:** Slide the holster into position, making sure it is firmly attached to your waistband. Adjust the cant (angle) as needed for comfort and accessibility.
3. **Check Stability:** Ensure the holster is stable and secure before inserting your firearm.

Usage

1. **Inserting the Firearm:**
 - Ensure the firearm is unloaded.
 - Carefully insert the firearm into the holster, ensuring it is fully seated.
2. **Drawing the Firearm:**
 - Grip the firearm firmly with your dominant hand.
 - Draw the firearm from the holster while maintaining control and ensuring the muzzle is pointed in a safe direction.
3. **Reholstering:**
 - Ensure the area is clear of obstacles and people.
 - Carefully reinsert the firearm into the holster, ensuring it is properly seated.
4. **Regular Maintenance:**
 - Clean the holster regularly with a damp cloth to remove dirt and debris.
 - Store the holster in a cool, dry place when not in use.

Disposal Instructions

When disposing of the holster, please follow local regulations regarding plastic and polymer waste. If the holster is damaged or no longer usable, consider recycling options or contact local waste management for guidance.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the STACHE IWB Lower Back Holster Base Kit, please refer to the manufacturer's website or customer service resources.

By following these guidelines, you can ensure safe and effective use of your STACHE IWB Lower Back Holster Base Kit. Thank you for prioritizing safety in your concealed carry practices.
