

T-SERIES L2C HOLSTER - BLACKHAWK GLOCK® 43/43X, KAHR PM9/PM40 RH HOLSTER, BLACK

[Home](#)

With its streamlined thumb-activated retention, the T-Series keeps your firearm at the ready while maintaining total security. Thanks to a drawing motion that operates off of the Master Grip Principle, you'll be able to get into the fight under even the most stressful of circumstances. A combination of reinforced outer polymer and smooth, sound-dampening, hydrophobic lining ensures your T-Series will perform no matter the elements and situation. Included with the L2C is the Quick Dual Release Belt Loop (attached) and the 2-Slot Belt Loop. Jacket Slot Belt Loop sold separately.

TSeries L2C HOLSTER BLACKHAWK GLOCK® 43/43X, KAHR PM9/PM40 RH HOLSTER Safety Instructions

Introduction

Thank you for choosing the TSeries L2C Holster by BLACKHAWK. This guide provides essential safety instructions and guidelines for the proper use and maintenance of your holster. It is crucial to follow these guidelines to ensure your safety and the safety of others.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that your holster is suitable for your specific firearm model.
- Regularly inspect your holster for any signs of wear or damage.
- Keep the holster clean and free from debris to ensure proper function.
- Store the holster in a safe location, away from children and unauthorized users.
- Do not modify your holster in any way that could compromise its safety features or functionality.

Specific Safety Precautions for Use

- **Retention Mechanism:** Familiarize yourself with the thumbactivated retention system. Practice using it in a safe environment before carrying your firearm.
- **Drawing Motion:** Use the Master Grip Principle for drawing your firearm. Ensure that your grip is secure and that you are aware of your surroundings when drawing.
- **Weather Conditions:** The TSeries holster is designed to perform in various conditions. However, always check for moisture or debris that may affect the holster's performance.
- **Proper Fit:** Ensure that your firearm fits securely in the holster. A loose fit may lead to accidental discharges or loss of the firearm.

Instructions for Installation and Usage

1. Installation:

- Attach the Quick Dual Release Belt Loop to your belt. Ensure it is secure and positioned for easy access.
- If using the 2Slot Belt Loop, follow the same attachment process.
- Ensure that the holster is positioned for comfort and accessibility while seated or standing.

2. Usage:

- Insert your firearm into the holster, ensuring that it is properly seated.
- Practice drawing your firearm in a safe environment to become familiar with the retention mechanism and drawing motion.
- Always keep the holster and firearm pointed in a safe direction when drawing or reholstering.
- Be aware of your surroundings and ensure that there are no obstructions when drawing your firearm.

Disposal Instructions

- Dispose of the holster according to local regulations regarding plastic and polymer materials.
- If the holster is damaged beyond repair, consider recycling options available in your area.

Contact Information for Further Support

For any safety inquiries or further assistance regarding your TSeries L2C Holster, please refer to the official BLACKHAWK website or contact your local retailer.

Important Note

This safety instruction guide is compliant with the EU General Product Safety Regulation (GPSR). Always report any unsafe products or incidents to the appropriate authorities. Stay informed about product recalls and safety updates through the EU Safety Gate platform. Your safety and the safety of others depend on responsible usage and adherence to these guidelines.
