

T-SERIES L2C HOLSTER - BLACKHAWK SIG SAUER P365/P230/M17/M18 RH HOLSTER, BLACK

[Home](#)

With its streamlined thumb-activated retention, the T-Series keeps your firearm at the ready while maintaining total security. Thanks to a drawing motion that operates off of the Master Grip Principle, you'll be able to get into the fight under even the most stressful of circumstances. A combination of reinforced outer polymer and smooth, sound-dampening, hydrophobic lining ensures your T-Series will perform no matter the elements and situation. Included with the L2C is the Quick Dual Release Belt Loop (attached) and the 2-Slot Belt Loop. Jacket Slot Belt Loop sold separately.

TSERIES L2C HOLSTER SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the TSERIES L2C Holster by BLACKHAWK. This holster is designed for the Sig Sauer P365, P230, M17, and M18 models. It provides a secure and accessible way to carry your firearm. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Keep the holster and firearm out of reach of children and unauthorized users.
- Ensure the holster is properly fitted to your specific firearm model.
- Regularly inspect the holster for wear and tear, and replace it if any damage is found.
- Always use the holster in accordance with local laws and regulations.

Specific Safety Precautions for Use

- Ensure the holster is securely attached to your belt before use.
- Do not attempt to draw your firearm from the holster unless you are in a safe and controlled environment.
- Avoid exposing the holster to extreme temperatures and harsh chemicals that may degrade the material.
- Be cautious of the holster's retention mechanism and ensure it is functioning correctly before use.
- Do not modify the holster in any way, as this may compromise its safety features.

Instructions for Installation and Usage

1. Installation:

- Select the appropriate belt loop (Quick Dual Release Belt Loop or 2Slot Belt Loop).
- Attach the belt loop to the holster by aligning the slots and securing them with the provided screws.
- Ensure the belt loop is firmly attached and does not wobble.

2. Usage:

- Insert your firearm into the holster, ensuring it is seated properly.
- Activate the thumb retention mechanism to secure the firearm in place.
- To draw the firearm, use the Master Grip Principle to maintain control and aim.
- Always point the firearm in a safe direction when drawing or reholstering.

Disposal Instructions

- Dispose of the holster in accordance with local waste disposal regulations.
- If the holster is damaged or no longer in use, ensure it is disposed of in a way that prevents unauthorized access.

Contact Information for Further Support

For any safety inquiries or to report issues with the TSERIES L2C Holster, please contact the manufacturer or consult the product's packaging for additional resources.

Thank you for prioritizing safety while using your TSERIES L2C Holster. Your responsible handling of firearms is essential for ensuring a safe environment for yourself and those around you.
