

T-SERIES L2C HOLSTER - S&W M&P SHIELD 9/40 2.0 RH HOLSTER, BLACK

[Home](#)

With its streamlined thumb-activated retention, the T-Series keeps your firearm at the ready while maintaining total security. Thanks to a drawing motion that operates off of the Master Grip Principle, you'll be able to get into the fight under even the most stressful of circumstances. A combination of reinforced outer polymer and smooth, sound-dampening, hydrophobic lining ensures your T-Series will perform no matter the elements and situation. Included with the L2C is the Quick Dual Release Belt Loop (attached) and the 2-Slot Belt Loop. Jacket Slot Belt Loop sold separately.

TSERIES L2C HOLSTER S&W M&P SHIELD 9/40 2.0 RH HOLSTER, BLACK Safety Instruction Guide

Introduction

Thank you for choosing the TSERIES L2C HOLSTER for your Smith & Wesson M&P Shield 9/40. This guide provides essential safety information to ensure the proper use and maintenance of your holster. Please read this document thoroughly to understand how to use your holster safely and effectively.

General Safety Guidelines

- Always ensure that your firearm is unloaded before placing it in the holster.
- Familiarize yourself with the Master Grip Principle to ensure proper drawing techniques.
- Store the holster in a safe location when not in use, away from children and unauthorized users.
- Regularly inspect the holster for any signs of wear or damage.
- Adhere to all local laws and regulations regarding firearm storage and transport.

Specific Safety Precautions for Use

- Ensure the holster is properly secured to your belt before carrying your firearm.
- Avoid exposing the holster to extreme temperatures or moisture, which can affect its performance.
- Do not modify the holster in any way, as this may compromise its safety features.
- Always practice safe handling of your firearm, including keeping your finger off the trigger until ready to shoot.
- Be aware of your surroundings and ensure your holster is positioned for easy access while maintaining safety.

Instructions for Installation and Usage

1. Installation:

- Attach the Quick Dual Release Belt Loop to your belt by sliding it through the belt and securing it.
- Ensure the holster is positioned on your dominant side for easy access.
- If you choose to use the 2Slot Belt Loop, follow the same steps for attachment.

2. Usage:

- To draw your firearm, activate the thumb retention mechanism while maintaining a firm grip on the holster.
- Practice drawing your firearm in a safe environment to become familiar with the motion.
- Always return the firearm to the holster after use and ensure it is securely retained.

Disposal Instructions

- When disposing of the holster, ensure that it is done in accordance with local regulations.
- If the holster is damaged beyond repair, consider recycling the polymer materials if possible.
- Do not dispose of the holster in a manner that may pose a risk to the environment or public safety.

Contact Information for Further Support

For any safety inquiries or concerns regarding your T SERIES L2C HOLSTER, please refer to the manufacturer's website or customer service resources. It is important to have access to support for any issues related to the safety and functionality of your product.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your T SERIES L2C HOLSTER. Always prioritize safety and be aware of your responsibilities as a firearm owner. Thank you for your attention to these important guidelines.
