

SERPA CQC HOLSTER - BLACKHAWK SERPA CQC HOLSTER W/BLADE & PADDLE SPFD XDS 3.3" RH BLACK

[Home](#)

The Blackhawk SERPA CQC Concealment Holster delivers unparalleled handgun security and a smooth draw in a compact, concealable package. The patented SERPA Auto-Lock offers Level 2 retention, and releases by simply dragging the index finger along the release in the draw cycle. The speed cut design promotes both a rapid draw and solid re-holster. A belt loop and paddle platform are included, and the SERPA CQC Concealment Holster also fits shoulder, S.T.R.I.K.E.®, Quick Disconnect and Tactical Holster Platforms, making it extremely versatile.

Safety Instruction Guide for the Blackhawk SERPA CQC Holster

Introduction

Thank you for choosing the Blackhawk SERPA CQC Holster. This product is designed to provide secure and convenient storage for your firearm, ensuring both safety and accessibility. Please read this safety instruction guide carefully to understand how to use and maintain the holster safely.

General Safety Guidelines

- Ensure that the holster is compatible with your firearm model (Springfield XDS 3.3").
- Always treat your firearm as if it is loaded.
- Keep the holster and firearm out of reach of children and unauthorized users.
- Regularly inspect the holster for wear and damage.
- Follow all local laws and regulations regarding firearm storage and carry.

Specific Safety Precautions for Use

- Always use the SERPA CQC Holster in accordance with the manufacturer's guidelines.
- Ensure that the holster is securely attached to your belt or paddle platform before use.
- When drawing your firearm, maintain awareness of your surroundings and ensure that the muzzle is pointed in a safe direction.
- Avoid placing your finger on the trigger until you are ready to shoot.
- Do not modify the holster in any way that may compromise its functionality or safety.
- If you experience difficulty with the holster's locking mechanism, cease use immediately and consult the manufacturer.

Instructions for Installation and Usage

Installation

1. **Select Attachment Method:** Choose between the belt loop and paddle platform for attachment.
2. **Attach the Holster:**
 - For the belt loop, slide the loop onto your belt and secure it.
 - For the paddle platform, insert the paddle into your waistband, ensuring it sits snugly against your body.
3. **Check Stability:** Ensure the holster is securely attached and does not move excessively.

Usage

1. **Drawing the Firearm:**
 - Grip the holster with your nondominant hand.
 - Use your dominant hand to draw the firearm by dragging your index finger along the release mechanism.
 - Maintain control of the firearm at all times.
2. **Reholstering:**
 - Ensure the area is clear before reholstering.
 - Insert the firearm into the holster with the muzzle pointed downward.
 - Ensure the firearm is fully seated in the holster before releasing it.

Disposal Instructions

When disposing of the Blackhawk SERPA CQC Holster: * Follow local regulations for the disposal of polymer materials. * If the holster is damaged or no longer usable, consider recycling options if available. * Ensure that the holster is completely empty and free of any firearms before disposal.

Contact Information for Further Support

For any questions regarding the Blackhawk SERPA CQC Holster, including safety inquiries and product support, please refer to the manufacturer's contact information provided with your product packaging.

Conclusion

By following these safety guidelines and instructions, you can ensure safe and effective use of your Blackhawk SERPA CQC Holster. Always prioritize safety and compliance with local laws when handling firearms. Thank you for choosing Blackhawk.
