

SERPA CQC HOLSTER - BLACKHAWK SERPA CQC HOLSTER GLOCK 20/21/37 RH COYOTE TAN

[Home](#)

The Blackhawk SERPA CQC Concealment Holster delivers unparalleled handgun security and a smooth draw in a compact, concealable package. The patented SERPA Auto-Lock offers Level 2 retention, and releases by simply dragging the index finger along the release in the draw cycle. The speed cut design promotes both a rapid draw and solid re-holster. A belt loop and paddle platform are included, and the SERPA CQC Concealment Holster also fits shoulder, S.T.R.I.K.E.®, Quick Disconnect and Tactical Holster Platforms, making it extremely versatile.

Safety Instruction Guide for BLACKHAWK SERPA CQC Holster

Introduction

Thank you for choosing the BLACKHAWK SERPA CQC Holster. This guide provides essential safety information to ensure your safe use and enjoyment of this product. Please read the entire guide carefully before using the holster.

General Safety Guidelines

- Always ensure that your firearm is unloaded before placing it in the holster.
- Regularly inspect the holster for any signs of wear or damage.
- Store the holster in a secure location away from children and unauthorized users.
- Use the holster only for its intended purpose and with compatible firearm models.
- Follow all local laws and regulations regarding firearm carry and storage.

Specific Safety Precautions for Use

- Ensure the firearm is securely locked in the holster before moving or engaging in any activities.
- Avoid exposing the holster to extreme temperatures or harsh chemicals that may degrade the material.
- When drawing the firearm, keep your finger off the trigger until you are ready to shoot.
- Always be aware of your surroundings and ensure a clear line of sight when drawing or reholstering your firearm.
- If you experience any difficulty with the holster's locking mechanism, do not attempt to force it; seek assistance.

Instructions for Installation and Usage

Installation

1. **Select the Carry Method:** Choose between the belt loop and paddle platform for installation.
2. **Attach the Holster:**
 - For the belt loop, slide the holster onto your belt and secure it in place.
 - For the paddle platform, slide it over the waistband and adjust for comfort.
3. **Adjust the Retention:** Ensure the SERPA AutoLock is functioning correctly by testing the release mechanism with your index finger.

Usage

1. **Loading the Holster:**
 - Ensure the firearm is unloaded.
 - Insert the firearm into the holster until you hear a click, indicating it is securely locked.
2. **Drawing the Firearm:**
 - Grip the holster firmly with your nondominant hand.
 - Use your index finger to drag along the release mechanism while drawing the firearm.
3. **Reholstering:**
 - Always keep the firearm pointed in a safe direction.
 - Insert the firearm back into the holster until you hear the locking click.

Disposal Instructions

- Dispose of the holster in accordance with local waste management regulations.

- Do not burn the holster, as it may release harmful fumes.
- If the holster is damaged beyond repair, consider recycling the material if possible.

Contact Information for Further Support

For any questions or concerns regarding the BLACKHAWK SERPA CQC Holster, please refer to your retailer or visit the manufacturer's website for additional resources and support.

By following these safety instructions, you can ensure a safe and effective experience with your BLACKHAWK SERPA CQC Holster. Always prioritize safety and compliance with local regulations.
