

# SERPA CQC HOLSTER - BLACKHAWK SERPA CQC HOLSTER H&K SFP9, VP9, VP40 RH BLACK

[Home](#)

The Blackhawk SERPA CQC Concealment Holster delivers unparalleled handgun security and a smooth draw in a compact, concealable package. The patented SERPA Auto-Lock offers Level 2 retention, and releases by simply dragging the index finger along the release in the draw cycle. The speed cut design promotes both a rapid draw and solid re-holster. A belt loop and paddle platform are included, and the SERPA CQC Concealment Holster also fits shoulder, S.T.R.I.K.E.®, Quick Disconnect and Tactical Holster Platforms, making it extremely versatile.

# Consumer Safety Instruction Guide for the Blackhawk SERPA CQC Holster

## Introduction

Thank you for choosing the Blackhawk SERPA CQC Holster. This guide provides essential safety instructions and guidelines to ensure the safe use of your holster. Please read this document carefully before using the product.

## General Safety Guidelines

- Ensure that the holster is compatible with your firearm model (H&K SFP9, VP9, VP40).
- Always keep the holster in good condition. Inspect it regularly for any signs of wear or damage.
- Store the holster in a secure location away from children and unauthorized users.
- Use the holster only for its intended purpose. Do not modify or alter it in any way.
- Be aware of your surroundings when drawing or reholstering your firearm.
- Always follow local laws and regulations regarding firearm carry and use.

## Specific Safety Precautions for Use

- **Level 2 Retention:** Familiarize yourself with the SERPA AutoLock mechanism. Ensure you know how to properly engage and disengage the lock.
- **Proper Drawing Technique:** When drawing your firearm, use your index finger to drag along the release during the draw cycle. Practice this motion to ensure a smooth and safe draw.
- **Reholstering:** Always ensure your firearm is pointed in a safe direction when reholstering. Make sure your clothing or other objects do not obstruct the holster.
- **Belt and Paddle Attachment:** Ensure that the holster is securely attached to your belt or paddle platform before use. Check the stability of the attachment regularly.
- **Avoid Force:** Do not force the firearm into the holster. Ensure that it fits properly without excessive pressure.

## Instructions for Installation and Usage

### 1. Installation:

- Choose the appropriate attachment method (belt loop or paddle platform).
- For belt loop attachment:
  - Slide the belt loop onto your belt.
  - Ensure the holster is positioned for easy access.
- For paddle platform attachment:
  - Insert the paddle into your waistband.
  - Adjust the angle for comfort and accessibility.

### 2. Usage:

- To draw the firearm:
  - Grip the holster with your nondominant hand.
  - Use your dominant hand to draw the firearm while dragging your index finger along the release.
- To reholster the firearm:
  - Ensure the firearm is pointed in a safe direction.
  - Carefully guide the firearm into the holster until it clicks into place.

### 3. Maintenance:

- Clean the holster regularly with a damp cloth to remove dirt and debris.
- Avoid using harsh chemicals that may damage the material.

## **Disposal Instructions**

When disposing of the Blackhawk SERPA CQC Holster, follow these guidelines: \* If the holster is damaged beyond use, dispose of it in accordance with local waste disposal regulations. \* Do not incinerate the holster, as it may release harmful fumes. \* If applicable, recycle any components made from recyclable materials.

## **Contact Information for Further Support**

For any safety inquiries or concerns regarding the Blackhawk SERPA CQC Holster, please refer to the manufacturer's contact information included with your product packaging.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your Blackhawk SERPA CQC Holster. Always prioritize safety and compliance with local laws when using your holster. Thank you for your attention to these guidelines.
